SATS Week

We'd like to start by congratulating all our fabulous Year 6 for how they have tackled SATS week. Not only have they all worked hard in the run up to this week by coming to school every day and engaging with their lessons, but they have set an example to all the children in the years below by demonstrating resilience, a positive attitude and courage - and all in the most part with a smile on their faces! They enjoyed their breakfast of champions every morning (there was none left!) and have deservedly tucked into the most amazing ice-cream sundaes this afternoon! Well done Year 6 we are very proud of you.

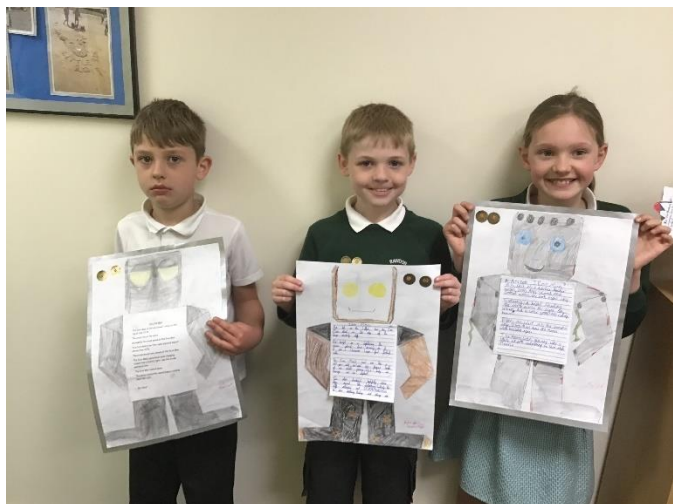

PTA Disco

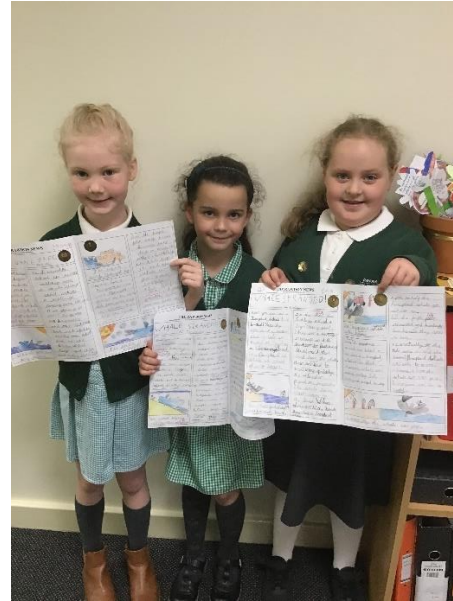

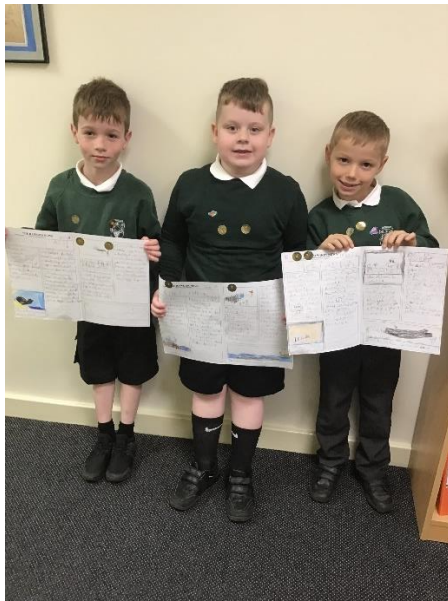

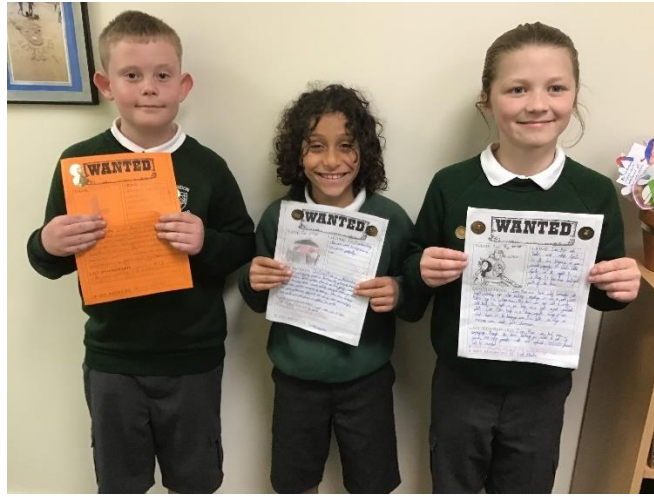

We'd like to thank our PTA for organising a fab disco for our children last night. We are sorry that not every child could get a ticket to attend, but we were forced to limit the numbers attending in order to be able to run a safe event with enough adults in attendance for supervision. For future events like this we will appeal for parent support before the event in order to enable us to have more children at each event.

Good Work

Look at the fantastic work that our children have been doing this week. Well done!

Come along to Ilkley Manor House this summer and discover Ilkley's past.

Families can take part in a wide range of fun (and educational!) events, as well as: discovering incredible, locally-found artefacts (including a tiny Bronze Age duck), dressing up in period costumes, pretending to be Roman soldiers next to the remains of Ilkley's very own fort (dating back to AD 79), and being grossed out by the original 16th century toilet.
