Lighting the Way with Values Every Day

Congratulations to all the children who were recognised for living out our school values last week.

BEHAVIOUR POLICY - IMPORTANT!

We have growing concerns around the increase in low-level disruption and changes in behaviour that are affecting pupils' attitudes to learning, as well as the respect shown towards staff. While these issues involve only a small portion of our learners, they are beginning to impact the overall learning environment.

We are addressing this in school by reviewing our behaviour policy and systems which we will share with you at the end of the week, and we would appreciate your partnership in reinforcing the importance of respect and positive learning attitudes, following our school promises, at home.
