Dear Parents and Carers,

We are very excited to announce the details of our 2023 Year 6 Big School Camp.

Thank you for your patience whilst we finalised arrangements for this year's residential, we have had to organise this with multiple suppliers and await quotes to put together this year's package to ensure best value for money.

The Big School Camp received excellent feedback for our onsite 2022 residential from pupils, parents and staff and we are pleased to confirm that they will be returning to deliver our 2023 residential. The Big School Camp will provide our students with a fantastic outdoor learning experience during a two-night residential event hosted on the Camps Hill school grounds.

The Big School Camp will set up on our school field for the three-day event, where our Year 6 pupils will camp over night at school and have the opportunity to take part in a range of team building and adventure activities during the day. Our specialised external providers Big School Camp will deliver the activities and camping equipment. This year Hertfordshire Catering Limited, our school meal providers will be providing the catering. School staff will be present at all times with the students alongside The Big School Camp staff.

**We would like to invite you to a parent meeting to share more information about this exciting residential event. This will take place on Monday 27<sup>th</sup> March 2023 at 4:30pm in the school hall, please arrive via the main office to sign in.**
