Parking on School Site

We have several parents who would like to use our parking spaces in the school car park. Due to the very limited number of spaces, we are only able to provide parking for Blue Badge holders only.

Thank you for your understanding and support with this.

OPAL Lunchtimes

The children have continued to enjoy lunchtimes with our OPAL activities. There is an assembly every week, where new equipment is introduced and the children talk about how to use equipment safely. They also talk about managing risk when they participate in the various activities. The children continue to be engaged with the different activities and the collaboration between the older and younger children is wonderful to see.

We are always accepting donations for any large loose parts, such as crates, pipes, dressing up, suitcases, etc so please bring these to school!

OPAL Star this week

Harris in Mulberry Class for working with the younger children during football and being an all-round fantastic role-model during OPAL play.

Well done!

Outdoor Learning

Apricot class enjoyed learning about plants and seed dispersal this week.

They loved collecting leaves and seeds from the outside area, and then creating observational watercolour paintings of these.

The children spent time exploring tone and adding detail with different brushes, to their pictures.

They were really proud of their work and were able to talk about the skills they developed during the lesson.
