## MiniMe Mindfulness

Last week the children all took part in a MiniMe Mindfulness session. The focus for this session was resilience and the children listened to a story where the main character showed resilience and how it is important to never give up and to get back up if something knocks us down.

As part of this, they also practised breathing exercises that help them to feel calm and regulated. They also took part in a calming meditation exercise.

The children will all have a session each half-term to support wellbeing.

## Let's Talk Trash Festival

On Tuesday, Mulberry Class visited Braxted Park for the 'Let's Talk Trash' Festival which focused on reducing litter and the impacts of climate change.

During the day, the children completed a range of activities which aimed to provide them with further information and ways they can help to minimise the impacts of climate change. They completed a quiz linked to 'The Pollution Solution' and took part in a drama workshop focusing on anti-littering. The children enjoyed the day and were enthusiastic when answering questions and taking part in debates.

Well done Year 6!
