Sam Scott

Next week, years 3, 4, 5, and 6 children will be having a visit from local author Sam Scott. She will talk about her books with the children and answer questions they may have. We have previously had a visit from Sam Scott and the children enjoyed meeting a published author. We are looking forward to her returning visit.

Tesco Grant Update

We were recently part of a Tesco Stronger Starts vote in local Tesco stores and are delighted to say that our project came first and we will receive a grant award of £1,500.

We are going to purchase resources for our outside area to enhance playtimes for children. This means that all children will benefit from these new resources.

Thank you so much to everyone who voted for us. We will keep you updated with our new resources when they have been purchased.

Home-School Agreement

The partnership between home and school is vitally important. When children start school with us, they complete a home-school agreement. We have recently reviewed this as a staff and this updated agreement is being sent out this week. We recognise each child as an individual and aim to give all children every opportunity to achieve their full potential. We believe a close partnership between school, parents/carers and the child is essential to achieve this.

Please discuss this Home-School agreement with your child at home and we will do so in school. Please sign and return one copy to school and keep the other at home. Thank you for your support.

OPAL Star this week

Manny and Stanley for being fantastic role-models to younger children and supporting them to resolve conflicts. Well done!

Parents Evening

Our next Parents Evenings are on Monday 16th and Thursday 19th March. We will be using a different system to book these appointments through Arbor.

You will be able to book appointments from Monday 2nd March. Please log on to Arbor to book a ten-minute appointment for each child. The times for these sessions will be from 3.30pm - 6.30pm on both afternoons and they will be held in the hall.

At this meeting, the Class Teacher will discuss with you and your child their learning, successes and next steps. There will also be an opportunity for you to look through your child's work in the classroom.

We look forward to seeing you all during these meetings.
