Bromcom and Kids Club

Dear Parents/Carers,

As you will be aware, all schools within the Elevate Trust have moved over to using Bromcom & the My Child At School (MCAS) app for features such as paying for school trips, ordering school lunches and reporting pupil absences.

As of September 2026, the MCAS app will be the only way to book a place at our Kids Club provision (Before and After School Club). As part of the change, there are updated terms and conditions, with paper copies available from both the school reception and Kids Club itself from Monday 22nd June. An electronic copy is attached to this letter.

One of the key changes to the terms and conditions relates to the timing of payment. ***From September 2026, parents and carers will need to pay for the sessions required at the point of booking.*** There will not be an invoice based on sessions used anymore. Although this change will not alter the cost of what you are paying for, it will change when the payment is needed and I wanted to make that clear well in advance of the change coming into effect.

If you have any questions or queries regarding this, please contact Mrs Nelson in the school office, as she is best placed to be able to answer your questions.

Many thanks

Mr A Hope
