

The sun is definitely shining as we head towards the last week of the school year! It seems to have absolutely flown by!

One of the key events in the school calendar is the release of our Yr6 SAT results, which took place on Tuesday. The results were amazing and the school is proudly well above the national average! In addition to the Yr6 results, the other statutory tests that we have to submit data for is also well above average. I am so proud of everyone who has been involved in achieving these outcomes as they are superb and build on the success from last year's Ofsted report. I want to thank all of you for your role too in this. Without you helping your child with their reading or their homework over the years, then these results would not be possible. It has been a home/school team effort which has been so successful again.

Although we only have a week of school left, there is still so much to fit it! Hopefully (weather permitting), we will all be enjoying Sports Day on Tuesday followed by the Yr6 children performing in their Leaver's Production. This is then all brought to a wonderful conclusion on Friday with our Leavers Assembly on Friday morning, where we give our brilliant Yr6 the send off they deserve!

You will also receive your child's end of year report today. I hope you enjoy reading them!

One more week to go! Let's make it a good one!

If you have any questions, then please be in touch with your child's class teacher or with myself.

Best wishes

Mr Hope

NYCC have created an A-Z of activities and projects for young people in each of the 7 areas of North Yorkshire.

This is a useful resource for young people, parents, and professionals.

These are updated regularly, and we are keen to keep adding to them, please contact the local youth development worker if you know of any additions or changes.

IMPORTANT—School Trips

Due to not receiving enough parent/carer contributions for school trips, there might be a possibility that we are unable to book future events. As a school we can't continue to heavily subsidise these events due to financial restraints to cover the unpaid outstanding amounts on ParentPay. Thank you!

V6 Residential

Our V6 children went to Dearne Valley near Doncaster for their residential. They all had a really great time and tried lots of different activities. High Ropes, Raft Building, Low Ropes, Orienteering, Quick Zip Lining were some of the main activities along with Fire Pit and Marshmallows. Thank you all to the staff who went with the children. It is always much appreciated. I think the children all went home and slept well.

Are you the parent or carer of an autistic young person who has been referred to mental health services?

What is the project about?

We're interested in hearing the views of autistic young people about NHS Mental Health Services (CAMHS). We are not asking young people about their mental health difficulties, just their views about services.

We are a team of autistic and non-autistic researchers and young people who are **passionate about the mental health and well-being of autistic young people.**

Who can share their views?

Autistic young people aged 11-18 years in the UK who have been referred to NHS mental health services. Your child does not need to have had an appointment and could be still waiting.

There are different ways to share your views

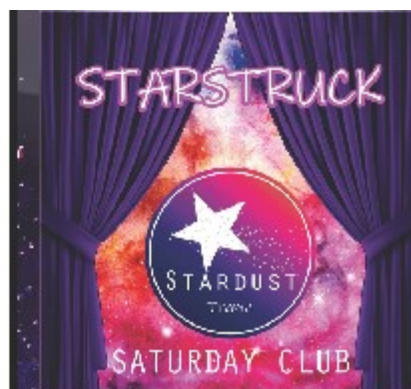

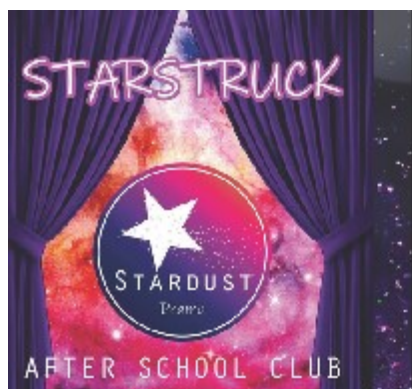

There is a short anonymous link where your child can share their views in different ways - drawing, voice note, emojis or typing via the QR code.

The survey will take about 15 minutes and you can share as much or as little information as you like.

For more information or if you need the survey in a different format please email Claire on C.A.Hanlon@ljmu.ac.uk

DRAMA CLASSES FOR PRIMARY CHILDREN – **JOIN THE FUN AT STARDUST DRAMA!**

Does your child love to use their imagination, tell stories, or take centre stage? Our exciting weekly drama classes in Knaresborough are the perfect place for them to build confidence, make new friends, and have loads of fun!

Reception to Year 2 – Saturdays 10:00–11:00am

Year 3–4 – Fridays 5:15–6:15pm

Year 5–6 – Fridays 6:15–7:15pm

Each session is packed with creative games, character building, and storytelling – all in a welcoming, pressure-free environment where every child can shine.

Special Offer Just for You!

As a thank you for supporting local creative classes, we're offering an exclusive half-price discount on all sessions for the rest of this half term!

Come along and give it a try – we'd love to welcome you to the Stardust family!
