### Harvest Thanksgiving

Thank you to all our parent/carers who kindly walked with the children to St John's Parish to enjoy our Harvest Festival and thank you to everyone who kindly donated food for the charity. Every little helps!

### Open Morning—Thursday, 16th Oct

What a fantastic Open Morning we had yesterday—it was such a pleasure to welcome so many prospective families into our school and show them around. The children did an outstanding job guiding our visitors and representing St John's with pride, warmth, and enthusiasm. We've already received a number of lovely emails from parents expressing their appreciation and praising the children for how confidently and kindly they led the tours. It's always wonderful to see our pupils shine, and moments like these really highlight the strength of our school community. We're very much looking forward to seeing applications come in and hopefully welcoming many of these families to St John's in the near future.

It has been a pleasure to see so many of you at our parents evenings last-week. Thank you for taking the time to come in to school to speak to class teachers and find out about your child's strengths and areas we will be focusing on for the rest of this term. In December, you will get the first of the mini report cards that we send out. Keep an eye out for these and feel free to talk to your child's class teacher about them in case anything is unclear.

On Monday 20th October, we had our very special assembly where we showcased the children that have been selected to be House Captains and our Head Boy/Girl. This assembly always generates a lot of excitement for the Yr6 children as they go on to represent our school in many future events.

One of the wonderful events held this week was our Open Morning. It was the busiest Open Morning we have ever seen at Knaresborough St Johns! We usually have our Yr6 children take the visitors around the school, but this time we had to use all our Yr5 and Yr6 children plus a few Yr4s! What has been great is the feedback given by the parents that have visited. Many have taken the time to email in to share how impressed they were with the school and the ambassadors that showed them around. A brilliant job from everyone involved! Thank you for the good luck messages that you have given me. I am hoping to be back as soon as I can. I will be in school on Monday and on Tuesday morning, before heading to join the cast of Greys Anatomy!

Best wishes  
Mr A Hope

Last week **Class 3 and 4** went on a Geography trip to Knaresborough. On our way to town we looked out for different house types, we managed to spot all the different types we had learnt about, including a cottage! Our first stop in town was the Market Cross where we spotted key features of a town, lots of the children shared stories of their favourite places to go and we even spotted to important people from our towns history who we will learn more about after the holidays when we start our history! We then went to the castle yard where we stopped to admire the view of the river Nidd and the viaduct before going to have a look inside the castle, lots of us sat on the medieval toilet and we went to explore the dungeons!

Clocks go back on Sunday 26th October at 2am
