A reminder of our school values...

A Value is a principle that guides our thinking and our behaviour.

At Garrett Hall, every individual is valued for who they are and what they contribute to the school. Values are intended to support the personal, social and spiritual development of every pupil throughout the school. We encourage our children to be like these characters:

Make good choices and encourage others to do the same like **Ruby Responsibility**

Treat others as we want to be treated like **Rosie Respect**

Tell the truth despite the consequences like **Hattie Honest**

Have confidence and faith in those around us like **Timmy Trust**

Keep going even when things get difficult like **Percy Perseverance**

Show kindness to others like **Freddie Friendship**
