

Safeguarding Statement

At Garrett Hall we want the best for every child in our care. Children are at the heart of all we do and we are committed to providing a safe, caring environment where the welfare of our children comes first.

We believe that pupils have a right to learn in a supportive, caring and safe environment which includes the right to protection from all types of abuse; where staff are vigilant for signs of any pupil in distress and are confident about applying safeguarding processes to avert and alleviate any such problems.

Safeguarding is about ensuring that everyone is safe from harm – safe from bullying, safe from people who could abuse, safe from discrimination or harassment – and that we all feel safe in our environment.
