27/03/26

Dear Parents and Carers of 6 Einstein,

We are writing to inform you of a change to the class teacher for 6 Einstein following the Easter break. Please accept our apologies for this change and for any inconvenience or disruption it may cause.

After Easter, the class will be taught by Mr Gaskell. Unfortunately, due to commitments outside of school, Mrs Prabhakar has not been able to give her full commitment to teaching at this time.

Mr Gaskell is excited to be joining the Year 6 team and is already very familiar with both the children and staff. He has supported Year 6 with their leavers' production for many years and is looking forward to taking on a leading role in this important event.

We are confident that Mr Gaskell will provide continuity and strong support for the class as they continue through this important stage of the year.

Thank you for your understanding and continued support.

Yours sincerely,

Mrs. D Hunter

Headteacher

Boughton Leigh Junior School
