Our menu

Next week, we are week 1.

Remember!!!

It is our Christmas fete tomorrow, the school is a hub of Christmas activity whilst our amazing Friends get set up ready for our first ever Christmas Fete. Please come along and support them and our school and volunteer where you can.

This week

I have been overwhelmingly proud of our children and staff this week. There has been a real sprinkle of magic, community and love throughout the school, which has shone through our EYFS singing, KS1 nativity, KS2 concert and our wonderful Christmas dinner.

In Picture News, we discussed Catherine, Princess of Wales' carol concert, where she encourages togetherness:

"Christmas is a time that reminds us how deeply our lives are woven together. Just as the roots of trees share strength beneath the soil, unseen but vital, so too do we."

The children really enjoyed this Picture News about Princess Kate's Together at Christmas concert, which celebrates love in all its forms. Children across the school discussed the celebrations they take part in and the importance of togetherness within them. It was incredibly wholesome to hear the children talk so fondly about their parents, grandparents and siblings as such an important part of their celebrations.

Our Christmas dinner was a huge success on Thursday, well done to Jess and Fran for a great meal. The staff all pulled together to serve the dinner, one pupil commented they were 'very happy with the service'. The children prepared hats and tablecloths and were so grateful for the cracker donation. One pupil said that Christmas dinner this year was 'better than they ever imagined!!'

I hope that the events we have shared this week have contributed to that sense of togetherness for your children.

Staffing

From January 2026, we are pleased to welcome Mrs Michelle Collier as a Deputy Headteacher with EYFS strategic lead responsibility and class teacher to EYFS. Mrs Collier is currently a deputy Headteacher at Hatfield Heath Primary School, another school within The Learning Partnership Trust. She is an experienced leader and EYFS teacher, and we are fortunate to have her expertise and support as part of our school community for this academic year to support the pupils in EYFS.

Our Best Bits

All of our best bits this week have been seeing the children come together to perform, seeing their pride at their own achievements and coming together as a school community. We also loved seeing the proud audience members celebrating the children as they performed.

Safeguarding

Inappropriate content

We have been made aware that the content in books written by Robert Muchamore may contain content that is highly inappropriate for suggested age ratings. You may wish to make your parents aware and suggest they are vigilant.

[ParentSafe website - Home](#)

It's never easy to know how to keep our children safe when they aren't with us, and sometimes even when they are, if we don't know what's happening in their lives or on their devices! Who are they talking to, what are they doing, are they okay? Don't despair though...scroll through ParentSafe for help or click a button to go straight to a particular topics.

Parking

When picking up or dropping off children at schools, you should do the following:

- Allow yourself plenty of time as the area is likely to be busy.
- Do not park on yellow zigzag lines and avoid parking opposite them.
- If you decide to park further away, please be considerate of local residents and avoid blocking driveways or access ways, especially for emergency vehicles.

Are you worried about a child?

As a school, we consider safeguarding to be a priority. We welcome parents and carers talking openly to us about their concerns for the safeguarding of children and families. Remember, safeguarding is everyone's responsibility. If you have any concerns about a child, you can contact one of our Designated Safeguarding Leads via the school office. Please ask to speak to Vicky Childs, Sian Watson or Kerry Renton and specify that you have a safeguarding concern.

If you are worried about a child or young person, you can call the NSPCC helpline for support and advice for free on 0808 800 5000. If a child is in immediate danger, you should call 999.

Children can call Childline at any time on 0800 1111.

The designated safeguarding leads at Roseacres are [Mrs Childs](#), [Mrs Watson](#) and [Mrs Renton](#).

iPhone settings

Most smartphones allow parents and carers to choose which apps and features appear on their child's device and which ones don't – also preventing young people from buying and downloading anything that's unsuitable for their age. Our #WakeUpWednesday guides to parental controls for managing apps on iPhones will help you to reduce the chance of your child using a game or app that might not be appropriate for their age.

How to Set up PARENTAL CONTROLS for APPS iPhone

Apple devices come with built-in apps already available: Mail, FaceTime and Safari, for example. However, you can choose which apps and features appear on your child's device and which ones don't. You can also manipulate the features in Game Centre to enhance your child's safety and privacy when playing games, as well as blocking iTunes or App Store purchases if you wish.

How to Restrict Built-in Apps/Features

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Allowed Apps (you may need to toggle this to 'on' at the top)
- 5 Enable or disable the apps you wish to appear (or disappear) on your child's device

How to Restrict Game Centre

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions (you may need to switch the toggle at the top to the 'on' position)
- 5 Scroll down to Game Centre
- 6 Choose between Allow, Don't Allow, or Allow with Friends Only in the settings for each feature

How to Restrict iTunes & App Store Purchases

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap iTunes & App Store Purchases
- 5 Select Allow or Don't Allow for each feature (you can also lock these settings with a password)
