Roseacres Primary School

3rd October 2025

Our menu

Next week, we are week 3.

This week, our Year 6 students presented their manifesto to the whole school. The children presented in a variety of ways and demonstrated such courage and confidence. I was really proud of their efforts.

I am therefore delighted to share that our Head Students are James and Sienna F, and our Deputies are Scarlett, Imogen, Kai and Hugo. The other year 6 pupils are taking on a variety of other leadership responsibilities. They will be awarded badges in a whole school assembly once they arrive.

I wasn't able to attend the Harvest Festival today as I have been on a course these last few days, I was so disappointed to miss out but Mrs Watson shared how delightful it was for all of the children to come together. A huge thank you to our volunteers for walking down in the rain with the children today.

School Values

We have been discussing and identifying our School Values and becoming a ROSIE! From our assemblies we have chosen a few different options and now it is time to vote on the values for our school. With your children, please click on this link to vote.

Save the date

Roseacres Christmas Fete – 13th December! More information to follow!!

Attendance

At Roseacres, we follow National Guidance to improve school attendance. National Guidance is that good attendance is 96% or better, currently our whole school attendance is 95.7%. As children start to develop some signs of being unwell, please check the NHS link for guidance if you child is too unwell for school: <u>Is my child too ill for school? - NHS</u>. If your child is absent, please do notify the school office.

Clubs

There are still spaces available on the Art, Stem, Karate, KS1 (Year 1 and Year 2) Magical Maths clubs – please refer to the <u>website clubs page</u> for further information about booking links. We will be offering sports clubs after half-term, further information will be sent out early next week.

Our Best Bits

EYFS

The children enjoyed painting in the style of Jackson Pollock in the garden on Thursday.

Year 1

Year 1's highlight was Scootfit on Tuesday. The children learnt to ride their scooters safely, to dismount and brake appropriately. Was lovely to see the children listening and following instructions from a new adult.

Year 2

Year 2's highlight was finding out all about Christoper Columbus' 5-week journey around the world. The children were captivated.

Year 3

Year 3's best bit for this week was the Harvest Festival held at the church and doing an awesome performance – well done year 3!

Year 4

Year 4 have created some wonderful pieces of artwork inspired by Sonia Delauney.

Year 5

Year 5's best bit for this week is playing cricket with the cricket coach Chris. They all put 100% in, topping up their catching and batting skills. We have some future cricket players in the making!

Year 6

The highlight of the week in Year 6 has undoubtedly been the moment each child received their Year 6 Responsibilities. They've embraced their roles with pride and enthusiasm, and it's been wonderful to see leadership flourishing across the year group. Our classroom is now filled with confident, capable leaders ready to make a difference!

After that there will be one on 18th November and 9th December before we hopefully start doing them every first Tuesday each month!

Parents and carers are advised to book online as they are controlling capacity to a lower level than usual. Here is the link: https://bookings.wildnwacky.co.uk/book/send-session/163

- Discounted price to our usual off peak prices
 - Reduced capacity.
 - Music switched off.
- Soft ambient lighting in the main seating area and playframe.

Safeguarding

Parkina

When picking up or dropping off children at schools, you should do the following:

- Allow yourself plenty of time as the area is likely to be busy.
- Do not park on yellow zigzag lines and avoid parking opposite them.
- If you decide to park further away, please be considerate of local residents and avoid blocking driveways or access ways, especially for emergency vehicles.

Are you worried about a child?

As a school, we consider safeguarding to be a priority. We welcome parents and carers talking openly to us about their concerns for the safeguarding of children and families. Remember, safeguarding is everyone's responsibility. If you have any concerns about a child, you can contact one of our Designated Safeguarding Leads via the school office. Please ask to speak to Vicky Childs, Sian Watson or Kerry Renton and specify that you have a safeguarding concern.

If you are worried about a child or young person, you can call the NSPCC helpline for support and advice for free on 0808 800 5000. If a child is in immediate danger, you should call 999.

Children can call Childline at any time on 0800 1111.

The designated safeguarding leads at Roseacres are Mrs Childs, Mrs Watson and Mrs Renton.

EA FC 26

With new kits, updated squads and refined gameplay, EA FC 26 brings the thrill of top-tier football to living rooms once again. While it continues to offer family-friendly fun in modes like Kick-Off and Career, the ongoing popularity of Ultimate Team – where players spend money to build fantasy squads – brings a mix of excitement and risks.

Children can encounter issues such as gambling-like mechanics, voice chat with strangers, and potential exposure to scams. This guide breaks down the game's most important features, highlights the key risks to be aware of, and shares practical advice for helping young players stay safe while gaming and interacting online.

What Parents & Educators Need to Know about

EGERESTRICTION PEGI

WHAT ARE THE RISKS?

Our guide looks at the risks surrounding EA Sports FC 26 and our top tips to minimise them. This marks the third year since EA left the FIFA licence, and the game is mostly unchanged from last year. While Kick-Off mode is great for playing with friends and Career Mode allows players to fulfil long-term ambitions as a manager or player, Ultimate Team remains the main draw for many players – and it can get out of hand in terms of how much money players can invest.

AN ANNUAL RELEASE SCHEDULE

As was the case with the last two EA Sports FC games and the FIFA series before it, the franchise rolls out once a year with updated squads and new features. This cc make it expensive to keep up with, particularly

VOICE CHAT

Voice chat can be enabled across all platforms, meaning young people can speak to anyone they play with or against. While it can be switched off, some children will no doubt want to speak to their friends while they play. This also means they may encounter strangers much older than them, which can expose them to inappropriate language or behaviours. nappropriate language or behaviours.

IN-GAME PURCHASES THROUGH ULTIMATE TEAM

Ultimate Team is the big draw for EA Sports FC, letting players spend real money on packs that they can open to build a squad of the world's best players. They're not always easy to obtain, and new, improved versions of players will be regularly added as limited-time offerings. Young people could feel pressured into spending money and could feel pressured into spending money and

SCAMMERS IN **ULTIMATE TEAM**

89:22

Ultimate Team is managed by EA itself, but that hasn't stopped scammers from looking to dupe players out of money and in-game coins. Some scammers sell their accounts, which is a violation of EA's terms of service, while others will 'self' coins - something the developer is still working to crack down on. some try to gain access to others' accounts, potentially giving them access to payment information.

POTENTIAL FOR ADDICTION

While EA Sports FC is potentially addictive, thanks to its fast-paced gameplay and mirroring of the real-world skill and glamour of football, Ultimate Team's focus on limited-time rewards and the lottery of winning packs can make it feel closer to gambling than gaming, which may lead to addiction and impulsive spending of money.

Advice for Parents & Educators

PREPARE FOR ANOTHER GAME IN A YEAR

2027 The annual-release cadence aligns with the return of the school year, and can be a great way to incentivise good behaviour at the start of term. If children are applying themselves and preparing for a new year of school, or were particularly well behaved in the summer, EA Sports FC 26 could make a great reward.

LIMIT SPENDING

If you're worried about children accidentally spending real money in Ultimate Team, whether in game or on the EA Sports FC companion app, don't link a payment card to their account. Reclaiming funds can be a mountain to climb, and the dopamine hit of opening flashy packs with slick animations means one purchase can lead to another very quickly. It's also worth adding a prepaid card if you'd prefer them to make their own choices with their budget.

MONITOR VOICE CHAT

As in-game chat is open, be sure to adjust the settings in EA Sports FC 26 to lock it down. If children want to chat with their friends while they play, consider setting up a safe space for them to call, to allow them to play without fear of outsiders.

BE VIGILANT

As with last year, there are ways to keep scammers at bay. Ensure passwords are locked down, and consider using a password manager application to keep them secure. EA will never contact players through the game itself, so be vigilant with incoming messages, and block and report suspected spam. EA will contact players by email if needed, but they will never ask for usernames or passwords. Players should also avoid buying in-game currency from unofficial websites – doing so can lead to accounts being banned and could cost players money in the process.
