

Celebration Assembly
Friday 2nd October 2026

1B

Isabella has been chosen for celebration assembly this week for the fantastic effort she has been putting into her learning. She has particularly impressed us with her wonderful writing in English, where she has been thinking about which animals would make good pets. Isabella shared some brilliant ideas and worked really hard to turn these into fantastic sentences, taking lots of care and pride in her writing. She has also been an Art superstar! Isabella created a fantastic portrait in the style of Picasso, looking carefully at his unusual portraits and using what she had learnt to create her own wonderful piece of artwork. Well done, Isabella, keep up the fantastic work! ★

Tymon has been chosen for celebration assembly this week for being a fantastic learner and a brilliant role model to others in our class. We have been really impressed with his confidence in maths, especially when working with number lines. Tymon is not only able to find the answers, but can explain clearly how he knows and talk us through his thinking. He has also shown lots of creativity in Art this week, taking inspiration from Picasso to create his own wonderful portrait. Tymon always approaches his learning with a positive attitude and sets a great example to those around him. Well done, Tymon, we are very proud of you! ★

1C

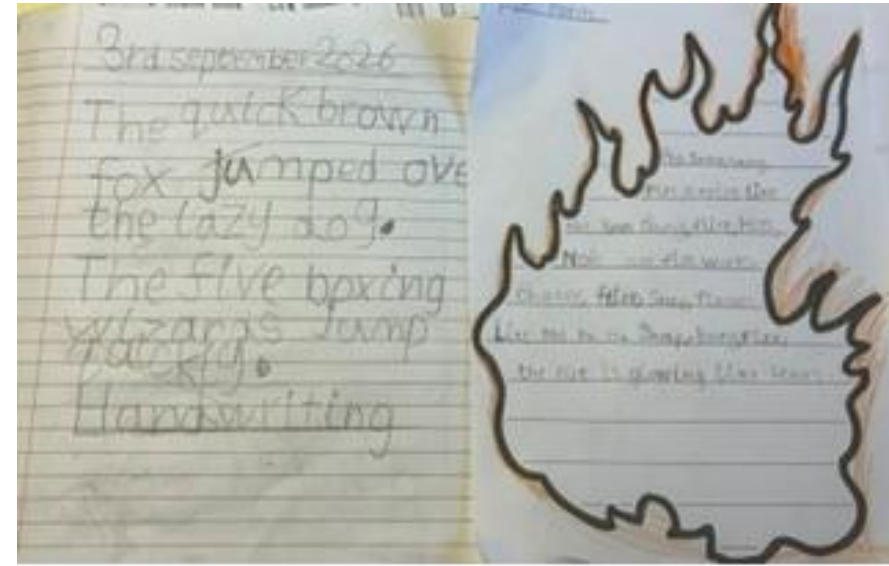

Olivia has been chosen for celebration assembly this week for settling well into Year 1. Olivia has accessed many learning opportunities this week and we were so proud of her portrait inspired by Pablo Picasso. She has discovered the paint tool on the iPad and loves exploring the different tools. Olivia wrote her numbers to 13 on her white board independently and all numbers were written correctly. Well done Olivia we are so lucky to have you as part of our class and we are looking forward to seeing what you will achieve this year.

Ion has been chosen for celebration assembly for his amazing work on his self portrait in the style of Picasso. He looked carefully at himself in a mirror and then used his ideas to create his portrait in Picasso's style. We were also impressed with Ion's writing where he wrote a new page for the Supermarket Zoo story. He thought hard about his ideas and then constructed his own sentences. Ion, you have made a fabulous start to Year 1. Keep up the amazing work.

...

2B

Zion has been chosen for celebration assembly this week. Despite being new to our school, Zion is a keen learner who is motivated to share his ideas in class. Ms Bailey has been particularly impressed with the progress he has made with his handwriting in just 4 weeks. Well done Zion.

Freddie has also been chosen for celebration assembly. Freddie has such a positive approach to his learning, his motivation should be an inspiration to others. He has committed to becoming a more independent learner in maths and Ms Bailey is proud of his achievements.

2C

Lilithe has been chosen for our celebration assembly this week!

Lilithe has shown great confidence in her reading during our RWI sessions, she also impressed Mrs Lewis with her reading during her most recent RWI assessment! She has been trying her very best across all areas of the curriculum. She particularly enjoyed Arts Week, where she created her own fantastic fire picture linked to the Great Fire of London. Well done, Lilithe! Keep up the brilliant work!

Ahmed has been chosen for our celebration assembly this week!

Ahmed is a wonderful role model in 2C. He always tries his best, follows instructions and confidently asks questions when he is unsure. Ahmed created a lovely piece of writing during our Big Write this week. He has a fantastic imagination, which makes his stories exciting and interesting to read. This is also clear through his love of reading.

Ahmed has also been working hard on his presentation, and he has really impressed both Mrs Chahal and Mrs Evans with the progress he has made.

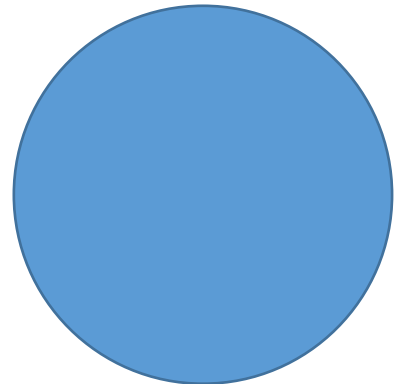

Keep up the fantastic work, Ahmed! 🌟
