July 2022

Dear Year 2 Parents,

When your child moves into '**Key Stage 2**' in September 2022, they will automatically **cease** to be entitled to '**Universal Free School Meals**', which means you will then be required to pay for school dinners throughout 'Key Stage 2', through Parent Pay, unless you also qualify for '**Free School Meals**' related to your household income.

If you are unsure whether you may be entitled to income related 'Free School Meals', please check the Salford Council website for more information.

School meals will be £2.20 per day (£11.00 per week), paid in advance. Children are allowed to bring money to buy a drink daily at lunchtime if they choose, although water is always available.

In order to make this transition as smooth as possible, please check that you have up to date access to your Parent Pay account before we close for the summer holiday as we are unable to accept any other form of payment for school dinners. School will continue to provide children with a well-balanced meal at lunch time and would encourage you to continue to choose 'School Meals' for your child.

If your child intends to change to a packed lunch in September, it is important that you let school know as soon as possible. Please check the school's 'Packed Lunch Policy' on the website, for clear guidance on what children can/cannot have in their lunch box.

If you experience any difficulties, or have forgotten your log in details for Parent Pay, please contact the school office and we will do our best to help you.

Also, children in Key Stage 2 do not receive School Milk.

Thank you,

Miss P. Garner
HEAD TEACHER
