Headteacher's Message

Dear Parents and Carers,

It's been another lovely week in school as the children continue to settle into their new classes and routines. The school is already buzzing with learning, laughter and friendship, and it has been wonderful to see our mission statement, "We Believe All People Matter," shining through in the way our children treat and support one another every day.

A huge thank you to all the parents and carers who attended our Class Welcome Meetings this week. They were very well attended, and we hope you found them helpful and informative. It was wonderful to see so many of you and to have the opportunity to meet your child's new class teacher in person. If you were unable to attend, the presentations are now available on the school website under your child's class page. Please do take a look, as they contain lots of useful information about the year ahead.

Thank you, as always, for your continued support. Working together helps us ensure every child feels valued, happy and able to thrive. Wishing you all a relaxing and enjoyable weekend with your families, and we look forward to seeing everyone back on Monday.

Best wishes,
Mrs Woodruff
