Policy Statement

We are committed to safeguarding and promoting the welfare of all pupils. We recognise that protecting children from the risk of radicalisation is part of our wider safeguarding responsibilities.

The Prevent Policy aims to:

- Protect children from extremist and radical influences.
- Promote community cohesion and fundamental British values.
- Ensure staff are equipped to identify and respond to concerns.

We are committed to safeguarding and promoting the welfare of all children and we take account of the information contained in the DfE documents 'Working Together to Safeguard Children' and 'Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges' as the safety and protection of children is of paramount importance to everyone in this school.

We believe that all children have the right to be safe in our society. Therefore, we recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents.

We are aware that under the 'Counter-Terrorism and Security Act 2015' we have the duty to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is known as the Prevent duty and we believe it is essential that school personnel are able to identify those who may be vulnerable to radicalisation or being influenced by extremist views, and then to know what to do when they are identified. We understand that is our duty under the statutory guidance on the Prevent duty to have in place a risk assessment, a working partnership with the Local Safeguarding Children Boards (LSCBs), training school personnel and IT policies.

We have a duty to actively promote and embed British values such as 'democracy, the rule of law, individual liberty, mutual respect and tolerance of different faiths and beliefs' within this school and to challenge pupils, school personnel or parents who express extremist views contrary to these values. We want to ensure pupils are prepared for life in modern Britain by the active promotion of and respect of British values.

We will refer any concerns we may have regarding individuals or groups of individuals who have or demonstrate extremist views to the relevant outside agencies as we feel that we have a duty to intervene at the earliest opportunity and to protect those concerned.

We as a school community have a commitment to promote equality: we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

Legal Framework

We believe this policy relates to the following legislation:

- Education Act 1996
- Children Act 2004
