HIGHER LANE'S WEEKLY

NEWSLETTER

Mr Tetlow's Update

It has been a fantastic first full week back at Higher Lane, and it has been wonderful to welcome all of our children and families back for the new school year.

The children have returned looking incredibly smart and have settled quickly into their new classes with enthusiasm and positivity.

Thank you for your continued support in helping us make such a successful start to the term—we're looking forward to a brilliant year ahead.

Remember that you can stay up-to-date with important messages by checking your emails and via our website.
Find out what your child has been learning about this week on Instagram
https://www.instagram.com/higherlaneprimary/
If you need to speak to a member of staff, please call the school office on 0161 766 2005 or email: office.higherlane@visionmat.com or drop in.

3B	99%		

ALLERGY AWARENESS:

Working Together to Keep Everyone Safe

As we begin the new academic year, we would like to remind families of the important role we all play in helping to keep our school communities safe.

Across Vision Multi Academy Trust, some pupils live with allergies which can, in rare cases, lead to a serious and potentially life-threatening reaction known as **anaphylaxis**. Creating a safe and inclusive environment relies on awareness, understanding and the support of everyone in our community.

NUT-RESTRICTED APPROACH

To help reduce risk, Vision schools operate a **nut-restricted approach** and ask families **not** to send nuts or products containing nuts into school.

Whilst we take reasonable steps to minimise the presence of nuts on our sites, no school can guarantee a completely nut-free environment.

For this reason, **allergy awareness**, **staff training** and effective **emergency procedures** remain essential.

YOU CAN HELP *Keep Everyone Safe*

We ask parents and carers to:

- **Inform** the school of any allergies or medical conditions.
- **Notify** us promptly of any changes to medical needs.
- **Ensure** any prescribed medication remains in date and is provided as required.
- **Encourage** your child not to share food or drinks with others.

ABOUT BENEDICT'S LAW

You may also have heard about Benedict's Law, which comes into effect from **September 2026** and is intended to strengthen allergy awareness and emergency preparedness in educational settings.

As a Trust, we continue to review our procedures, training and resources to ensure we provide the safest possible environment for all pupils.

Thank you for your continued support in helping us create schools where every pupil can **learn, participate** and **thrive** safely.

HIGHER LANE

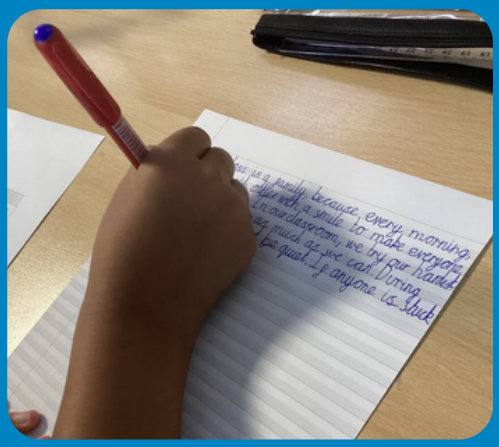

If you have any questions or would like to discuss your child's allergies or medical needs, please contact your school office or speak to a member of the school team.

Events from this week

Year 4

Year 4 have been writing about themselves in their English lessons, using the wonderful book 'Our School Is a Family' as inspiration. They have also started the year with such amazing handwriting! We are so proud of the care and effort they have put into their work.
Super work, Year 4!

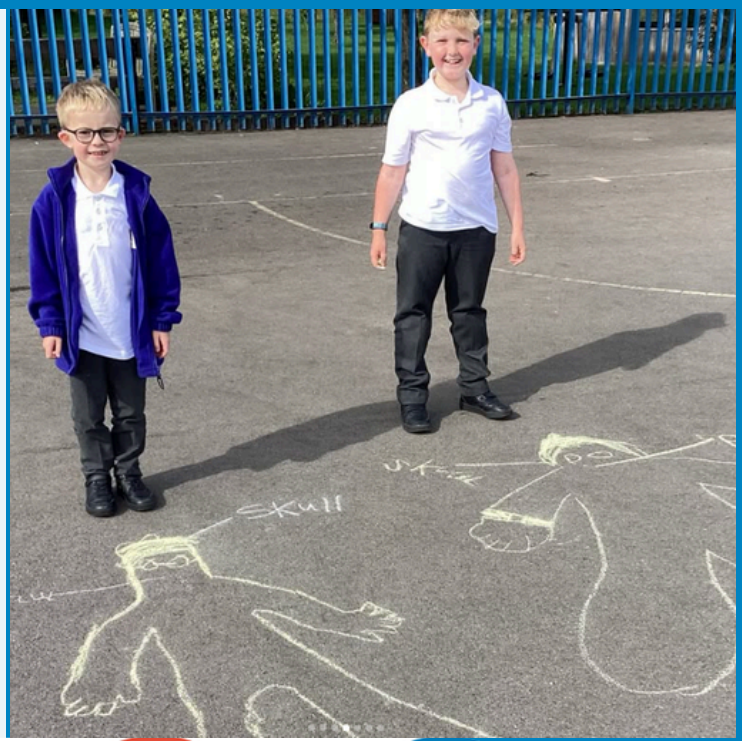

Year 3

Class 3B have been learning all about the bones in the human body as they begin their new Animals Including Humans topic.
They took their learning outside and worked together to draw around each other, before labelling the different bones they could find in their bodies.
What a fun and hands-on way to learn!
Well done, Year 3.

This week's Stars are...

HIGHER LANE PRIMARY SCHOOL

The Cookie Jar

CELEBRATION CAFE

What's happening at Higher Lane this week:

- Wednesday 16 September- Phonics Parent Session 9.00 - 9:45am
- Friday 18 September - PTA AGM Meeting 9:00am
