HIGHER LANE'S WEEKLY

# NEWSLETTER

## Mr Tetlow's Update

As we finish for the half term break I would like to thank all of the children and staff in school for making Higher Lane such a wonderful place to be. It has been an extremely busy 5 weeks (only 5 weeks!) with so many opportunities for the children to thrive and succeed. Alongside the core curriculum, there are many activities throughout the school week which only serve to add to the Higher Lane Experience: sport, music, drama and computing are all part of the wider offer. The netball team have continued to thrive and further congratulations are to go to the football team who were victorious in this week's EdStart tournament. Finally, have a wonderful half-term break and we look forward to seeing everyone on Tuesday 2<sup>nd</sup> June.

Remember that you can stay up-to-date with important messages by checking your emails and via our website.

# Events from this week

## Year 6 Football Tournament

We are so proud of the Year 6 football team who won the EdStart tournament on Wednesday evening. They played incredibly well as a team and won all 6 matches that they played. Well done boys! It was well deserved!

## Year 4B Class Assembly

Well done to Year 4B for their fantastic assembly on Thursday, all about Ancient Greece. What a fantastic performance and a big thank you to all our parents and guardians for coming to watch and support!

## EYFS Trip to Smithills Farm

Higher Lane Primary School is pleased and proud to share Teach Active's awareness video which was filmed before Easter. We've been working alongside Teach Active, in partnership with Bury Public Health, Bury Council, Bury School Sport Partnership, as part of the groundbreaking "Let's Get Bury Moving" project – the first borough-wide initiative of its kind in the UK. The project supports 42 schools across the borough, embedding physical activity into everyday learning and helping to create happier, healthier pupils, boosting educational outcomes along the way. This tackles some of the biggest challenges facing schools today – inactivity, health inequalities, and rising SEN needs – while simultaneously raising educational standards. A huge thank you to all of the children, staff and parents who supported the project. Enjoy the watch!
