As part of our commitment to safeguarding, we would like you to update us on who is allowed to collect your child at home time. A form is coming home with your child today and it is essential that you fill this in so that we have an up-to-date record of your preferences and know who we can let your child go home with. Sometimes other family members or friends are coming to collect children, and we need to know who they are.

Poetry by Heart

Yesterday, a group of children competed in the Poetry by Heart competition at Redhill Primary school. The children were amazing and we are very proud of their performances. A special mention goes to Mohammed in Year 4 who was the overall winner of the Lower Key

Stage competition.

Health for Life Project Donations for our garden welcome!

As part of our Health for Life project, the children have been busy growing a wide range of fruit and vegetables. Our greenhouse has really come to life, and we are hoping to use the produce in our own cooking activities with the children, helping them learn about food from seed to plate.

To continue inspiring the children to grow, garden, and eat healthily, we would be very grateful for any donations you may be able to offer, such as:

- Plant pots
- Bags of Compost
- Seedlings and plants

If you are able to donate anything, please send it into school and the children will pass it to Mrs Clayton.

Thank you for your continued support in helping our children learn healthy, lifelong habits.
