Parent Partners

We truly value as parents as partners in our school. Working together is a strength. We host a wide variety of coffee morning and curriculum presentations. Sometimes these are school focused and sometimes they focus on important matters for the community, or at home too.

We have a group of Parent Partners, who meet with the Headteachers termly to discuss ways to improve and strengthen our provision. As Parent Partners, you:

- Represent the collective voices of parents and carers.
- Foster positive relationships between families, staff, and the wider community.
- Support the school's mission to provide a nurturing, inclusive, and high-quality education.
- Organise and/or support events that enrich the school experience for pupils.
- Provide feedback and suggestions to school on collective matters affecting pupils' education and wellbeing.

If you are interested in becoming a Parent Partner, then please speak to Mrs Nott.

Its warming up next week!

With summer now here, we would like to ask for your support in ensuring that children come to school prepared for the warmer weather.

- To help keep children comfortable and safe throughout the day, please ensure that your child brings:
- A named water bottle every day.
- A sun hat or cap for outdoor activities and playtimes.
- Sunscreen applied before arriving at school.
- As the weather gets warmer, children often remove their coats, jumpers, and cardigans throughout the day.

Please ensure that all clothing and belongings are clearly labelled your child's name, as these items can easily be misplaced.
