- **An inclusive culture** – every child knows they belong and feels happy in school.

St Benedict's Primary School Autumn 2 Science Project:

Help Design Our Pond Area!

We need YOUR brilliant ideas!

Let's work together to make our pond area AMAZING!

Think-how can we make our school pond area more:

Inviting – a place everyone wants to visit

Interesting – full of fun things to see and do

Wildlife Friendly – a safe home for frogs, insects, birds and more!

- What plants or flowers could grow there?
- Could we add bug hotels, bird feeders or log piles?
- What would make it fun for children to explore?

You can draw, write, or build a mini model at home to show your ideas.

Deadline: Friday 5th December 2025

There will be a special prize for the most creative entry!
