Science

Scientist of the month:
Marie Curie

Question of the week:
What's the fastest animal?

For everyone that takes part in the project, your names will go into the magical prize hat!
One lucky winner will be drawn to receive a mystery prize!

Autumn Arts Festival and Competition

Our **Autumn Arts festival** will be taking place on the **22nd October!**

Now is the chance to have your child create an art piece for our **Autumn Arts competition** based on the theme of **Autumn, Diwali or Harvest**. Please make your work as creative as possible using any materials you can access at home, such as paint, clay, collage etc.

All entries will be displayed at our festival, and a winner will be selected from each class to win a prize! Parents, you are always welcome to help your children create amazing art at home, please do consider that we have always chosen winners where it is clear that it is your child's own contribution, it does not have to be perfection!

All entries need to be returned to school by the 13th October!

Harvest Food Collection

As part of our Harvest Festival celebrations, we are proud to be supporting our local food bank, Trussell's Trust Food Bank. We warmly invite families to make donations of food and toiletry items.

Urgently needed food items

- Squash/Cordial
- Tinned fruit, vegetables (Peas, Carrots, etc.) and pulses (Kidney Beans, Chickpeas, etc.)
- Meat Soup (Chicken, Oxtail, etc.)
- Tinned Fish
- Coffee
- Tinned Tomatoes/Pasta Sauce
- Sponge Puddings
- Instant Mash
- Toiletries (Soap, Toilet Roll, Shower Gel, Shampoo, Sanitary Towels)
- Every donation, big or small, will make a real difference to families in need and to our wider community. Thank you for your kindness and generosity.

Internet Safety – Acceptable Use Agreement

This week, children in years 1 to 6, will be signing an Acceptable Use Agreement as part of their learning about online safety and cyber security.

What is an Acceptable Use Agreement?

It's a simple set of rules that explains how we should use computers, the internet, and digital devices safely and responsibly. It helps children understand what is okay to do online, what to avoid, and how to protect themselves and others.

By signing the Acceptable Use Agreement, children are showing that they understand the importance of being safe, kind, and sensible whenever they use technology in school and at home.
