#### *Commitment to Equality:*

*The Trust and its schools are committed to providing a positive working environment which is free from prejudice and unlawful discrimination and any form of harassment, bullying or victimisation. We have developed a number of key policies to ensure that the principles of Catholic Social Teaching in relation to human dignity and dignity in work become embedded into every aspect of school life and these policies are reviewed regularly in this regard.*

***"Rooted in faith, we ignite a love of learning, foster inclusive education and empower every individual to achieve their utmost potential."***

At the Newman Catholic Trust, we stand united in our unwavering mission to nurture a transformative educational experience, where every child is seen, valued and cherished as a unique gift from God. Rooted in faith, we ignite a love for learning that awakens curiosity, sparks imagination and fuels a lifelong journey of discovery.

Guided by the teachings of Christ and inspired by the profound wisdom of our namesake, Saint John Henry Newman, we strive to foster a community where inclusion is lived, diversity is embraced and every individual is empowered to fulfil their highest potential. As Newman said, *"To live is to change, and to be perfect is to have changed often."* We believe that education is a sacred journey of continual transformation—intellectually, spiritually and personally. We believe that true education is not just about knowledge, but about shaping hearts and minds, cultivating resilience and nurturing the whole person.

Our vision is simple yet profound: to be a beacon of hope and excellence, where students are not only academically accomplished but spiritually enriched and personally empowered to make a difference in the world. In all that we do, we strive to embody our core values:

- **Christ/Child Centred:** Placing the Gospel values, the teachings of Christ and the well-being of each child at the heart of every action we take.
- **Inclusive and Consultative:** Ensuring open communication and engagement with all members of our community.
- **Caring:** Showing empathy, understanding and support in navigating any challenges that may arise.
- **Transparent:** Fostering openness and honesty in all our interactions.
- **Strategic:** Approaching all matters with careful planning and consideration for the wider community.
- **Professional:** Maintaining the highest standards of conduct and integrity in our decision-making.
- **Accountable:** Taking responsibility for our actions and fulfilling our commitment to ensuring a safe and nurturing environment for all.
