Commitment to Equality:

The Trust and its schools are committed to providing a positive working environment which is free from prejudice and unlawful discrimination and any form of harassment, bullying or victimisation. We have developed a number of key policies to ensure that the principles of Catholic Social Teaching in relation to human dignity and dignity in work become embedded in every aspect of school life, and these policies are reviewed regularly in this regard.

"Rooted in faith, we ignite a love of learning, foster inclusive education and empower every individual to achieve their utmost potential."

At the Newman Catholic Trust, we stand united in our unwavering mission to nurture a transformative educational experience, where every child is seen, valued, and cherished as a unique gift from God. Rooted in faith, we ignite a love for learning that awakens curiosity, sparks imagination, and fuels a lifelong journey of discovery.

Guided by the teachings of Christ and inspired by the profound wisdom of our namesake, Saint John Henry Newman, we strive to foster a community where inclusion is lived, diversity is embraced, and every individual is empowered to fulfil their highest potential. As Newman said, *"To live is to change, and to be perfect is to have changed often."* We believe that education is a sacred journey of continual transformation—intellectually, spiritually, and personally. We believe that true education is not just about knowledge, but about shaping hearts and minds, cultivating resilience, and nurturing the whole person.

Our vision is simple yet profound: To be a beacon of **Hope** and **Excellence**, where pupils are not only academically accomplished but spiritually enriched and personally inspired to make a difference in the world.

In all that we do, we seek to embody our Trust's **HEART Values**, which define who we are and guide how we serve:

- **Hope** – Believing in the boundless potential of every child, and striving to build a future filled with possibility, courage and faith.
- **Excellence** – Pursuing the highest standards in learning, leadership and love, so that every action reflects our calling to greatness.
- **Authenticity** – Living truthfully and faithfully, ensuring our words, actions and decisions are grounded in integrity and the Gospel.
- **Responsibility** – Caring for one another and for creation with compassion, stewardship and a deep sense of duty to the common good.
- **Truth** – Seeking wisdom and understanding through Christ, who is the Way, the Truth and the Life.

Together, **Heart to Heart and Hand in Hand**, we build communities of faith and learning where every child flourishes — intellectually, spiritually and morally — for the greater glory of God.

1. Introduction

1.1 Employees are our Trust's most valuable resource and the ability to retain good employees is very important. This procedure sets out an approach to identifying why people decide to leave the Trust or its school so that any workplace problems can be identified and addressed.

People choose to leave their employer for many different reasons. Sometimes the nature of the job or rate of pay may have a bearing, sometimes a more challenging or interesting job may become available, sometimes a change in personal circumstances is the main reason for the decision. Whatever the reason, the Trust and its Local Governing Committees (LGCs) should be aware of how the school is viewed as a place to work. The usual ways of gaining this information are:

- Annual Employee Survey
- Exit Questionnaire (Appendix A)
- Exit Interviews

It is good practice to undertake exit interviews to collect and analyse information with a view to developing retention strategies and to highlight areas for improvement, which can be fed into the Trusts' strategic plan.

1.2 This procedure applies to all Trust employees who leave voluntarily, except where exclusions are set out below.

2. Objectives

The procedure aims to provide:

- A consistent approach to the use of exit questionnaires across the Trust
- Guidance on how and when to use an exit questionnaire/interview
- Guidance on how to conduct an exit interview.

3. Purpose

The purpose of this policy is to determine the reasons why staff members leave the Trust and its schools. The Trust and its schools will utilise this information to ensure it meets its obligation as a good employer. The purpose of the completion of the exit interview form is to:

- Determine and document the reasons staff members leave, to solicit constructive feedback to improve effectiveness and/or efficiency of central and school operations and/or employee's work life.
- Identify what the Trust and its schools are doing well.
- Analyse information to inform recruitment and retention practices.
- Display openness and integrity by providing all employees leaving the Trust an opportunity to provide feedback.
- Bring to the attention of the senior leadership team or the Board any issues and provide feedback to enable any remedial action to be taken.
- Assist in identifying changes and improvements necessary to any existing job for any new employee, or a review of roles, responsibilities and staff deployments.
- Contribute to increased long-term performance and improve the overall work environment.
- Help the Trust to assess if its Mission and Values are being enacted

4. Scope

The procedure applies to all Trust employees who leave voluntarily. Exit interviews should not be carried out with employees who:

- have been dismissed on capability or disciplinary grounds
- leave because of compulsory redundancy or ill-health retirement or under a settlement agreement (formerly known as a compromise agreement)

5. Summary of Sequence of Events

- Employees indicate that they are resigning from their post and submit a letter of resignation which includes the date which will be their final day of service (in line with their contract terms and conditions and resignation/notice period).
- The Line Manager/School Leader (Chair Board, CEO, Executive Principal, Principal or Head of School) should acknowledge the resignation and inform HR and the Central Team.
- HR should issue a standard Exit Interview Questionnaire (Appendix 1) with a covering letter (Appendix 2) to the employee. These can also be issued by a member of the Senior Leadership Team.
- The employee should complete the Exit Questionnaire and return it to their Line Manager, a member of SLT, a school governor/Trust Director or to HR.
- A suitable and agreed individual will conduct the Exit Interview using either Microsoft Teams or in person. This can be a Governor/Director or a member of SLT – depending on who is appropriate and in agreement with the member of staff leaving.

Trust response/CEO.

- Where any areas of concern are discovered and/or where patterns of negative answers to questions are identified, the situation will be looked into by the CEO and HR or Board Chair and HR (depending on the exiting employee) and an action plan should be developed in response to these concerns.
- HR retains oversight of the exit process to ensure consistency, data protection compliance and Trust-wide analysis.

6. General Principles

6.1 Policy Statement

The Trust recognises that motivated and happy employees are central to the Trust's vision of "Being a Leading Provider of sustainable Catholic Education". Conducting exit interviews, provides an opportunity to acknowledge and thank employees for their service and work with the Trust, and to wish them well for their future endeavours. Their goodwill plays an essential part in maintaining the ongoing positive profile of the Trust.

6.2 Recording of Information

The information gathered will be analysed by the CEO and HR to identify positive feedback, areas of concern/ trends and report results to the FAR Committee.

6.3 Serious Issues

If serious matters are raised by the employee during the exit interview, the CEO will nominate an appropriate manager to deal with this supported by HR. In the case of the Central MAT Team this may be a Board member supported by HR.

6.4 Confidentiality

HR will maintain a central record of the information received via exit interviews which should be used to produce relevant data for the Trust's appropriate Committee.

The CEO (or Board Director) and HR will agree how much of the interview is to be kept confidential and what information should be used to suggest improvements to the Trust or school.

7. Procedure

7.1 Application of the Policy

The CEO/Line Manager/School Leader will ensure that this policy will achieve the desired outcomes

by:

- Ensuring that staff are aware of this policy
- Treating information as confidential
- Ensuring references are not prejudicial

7.2 Notification of Intention to Resign

Individuals should notify their Line Manager/School Leader of their intention to resign as soon as possible but giving no less than the period of notice in their contract of employment.

The CEO/Line Manager/School Leader must acknowledge the resignation and complete the termination form and send it to the HR and Payroll Inbox.

The CEO/ Line Manager/School Leader must return personal belongings to the individual and arrange for belongings to be returned, e.g., laptop, ID, and keys.

The CEO/Line Manager/School Leader must notify HR requesting for an exit interview questionnaire to be issued

The Manager/Headteacher must notify IT to close the individual's e-mail account, SharePoint and their access to school information and electronic files.

7.3 Exit Interview Questionnaire

HR should then provide the individual with a letter (Appendix B), which invites them to complete an exit interview questionnaire, (Appendix A) and an offer of an exit interview at a time suitable to the employee before he/she leaves the school/Trust.

The model letter (Appendix B) should be adapted to the individual circumstances as necessary. Completing the exit questionnaire will help focus the employee on the key issues before the exit interview and will assist in eliciting useful information during the interview.

If the individual is not at work during the notice period, they should be sent the questionnaire via email. Once completed, the questionnaire should be taken by the employee to the exit interview or returned to HR via email.

A work colleague or trade union/professional association representative may accompany the individual if they wish.

8. Data Impact Assessment

8.1 At all stages of this procedure, data obtained will be used only for the purpose for which it is intended and will be stored securely with restricted access to those involved in the process. Following the process, data will be stored on the electronic personal file for the duration of the employee's employment with the Trust and for 6 years thereafter.

The data will be destroyed at this time using a confidential shredding service.

9. Equality and Diversity

9.1 This policy is reviewed by the Trust Board as part of its annual policy review cycle.
