## Weekly Message

A BIG WELL DONE to everyone who wore something yellow on Monday and donated to help support children in school with mental health. We raised an amazing £59.01. Thankyou.

Please be reminded that children should not bring their phones into school. If children who walk to and from school themselves in Team Finch need to bring them for safety reasons, they must be turned off before walking through the school gate at the top of the drive and handed into the school office until hometime and not switched on again until they have left the school premises.

Well done all the children in Team Aveyard and Team Finch, what an amazing Harvest Festival.

**Mrs Wright, Head Teacher**

### **TEAM MORRIS: EARLY YEARS**

This week we have been going on a bear hunt. The children have really enjoyed acting out the story. The children were great at the sound effects. We have also made some great bear masks. The children have also painted their own bears, they were very good at choosing the colours they wanted to use to paint their bear. The children have also been finding out patterns and have been learning how to continue patterns.

### **TEAM HOLMES: Y1/2**

Wow what fabulous week we have had in Team Holmes! This week we have been learning about our new French artist Henri Rousseau. We have learned about his most famous paintings and have used our natural resources to create pictures inspired by his style of work. We have been researchers this week in history and have been researching more about Walter Disney so we can create his fact file. In forest schools this week we created homes for our wooden puppets that we made last week and all the children were so incredibly imaginative with this task. Please can I remind everyone that we will be having our Disney day in Team Holmes on Friday 21st October and all children are welcome to come dressed as their favourite Disney character!

### **TEAM AVEYARD: Y3/4**

This week has been assessment week so we have all been working our socks off to show what we already know and what we can do.

On Thursday we had a lovely walk down to St Luke's Church in Charlston where Father David held a Harvest and Thanksgiving service for us all. The behaviour on the trip was exemplary and the whole class were amazing.

On Monday we wore yellow for World Mental Health Day and talked about the importance of having a health mind and what we can do during times of struggle.

### **TEAM FINCH: Y5/6**

Week 6 down, and one to go!

Well done Team Finch for a tricky assessment week this week. It was tough, but we did very well. Special mentions to Bradley, Brodie, Kaitlin and Declan.

In writing - we have finished our reading of Anne Frank's diary. A very sad story, but poignant, and important to our topic of "Children in the War."

We have begun to look at a new artist 'Andy Warhol' this week. We have some fascinating projects coming up...

Let's keep our good work into the last week.

### **THE HIVE** *(A message from Mrs Light)*
