

# Streethouse School Newsletter

25<sup>th</sup> September 2026

## Weekly Message

THANKYOU for all of your support today with Macmillan, we raised £59.61. It Was great to catch up with those who stayed after assembly for the coffee morning.

This week we also announced our Junior Leadership Team. Congratulations to Grace & Reda (Head Pupils), Ella & Aditya (Deputies) and Frankie, Kennedy, Freddie, Laura & Daxon who represent their class on the School Council. Plus your House Captains – **Amelia & Sadie**, **James & Bobby**, **Oakley & Charlie** and **Dawood & Kai-Riley**. Well done to you all – I am sure you will all Be the Best you can be in your new roles!

**Mrs Wright, Head Teacher**

## TEAM COLEMAN: EARLY YEARS

This week we have been reading our lovely stories Owl Babies and Goodbye Summer, Hello Autumn. The children have loved being nature detectives outside and getting creative with crunchy leaves in our sensory kitchen. In maths, Reception have been brilliant at sorting objects by size, colour, and shape, while Nursery pupils have begun exciting work exploring different shapes. We have also focused heavily on early mark-making this week, with the children building their fine motor skills by tracing patterns and shapes into the sand.

## TEAM ROSE Y1/2

This week we have completed our final writing pieces for the story Ruby's worries. The children have focused on ensuring they include the subject of our description and everything we need for a high 5 sentence. In Maths we have been learning how to recognise and represent numbers to 20 in a variety of ways. We have then moved onto adding 1 more to a number using all of our concrete resources to support us. In History we have been retelling the events of The Great fire of London in chronological order. The children have done really well to remember all the essential information of the events that occurred during this time. Well done for your superb learning this week Team Rose!

## THE A TEAM: Y3/4

This week, The A Team have had a fantastic week with their learning. They got hands on in science when learning about the importance of looking after their teeth and investigated which hardness of toothbrush is the best for brushing. In English, the children have been looking at ambitious vocabulary and expanded noun phrases to describe a stone age cave setting. In History, they learnt about the different tools and weapons that were used in the Stone Age and the different uses they had. A great week of learning for all, well done!

## TEAM HAYWARD: Y5/6

During this week in year 5/6 we have looked at rounding integers in Maths. The children have been able to master the foundations of rounding. In English we have looked at descriptive writing where pupils have been able to come up with high-quality paragraphs. Within our science lesson this week we focused on warm blooded mammals. The children spent some time doing there learning outside during forest school and PE.

## Messages:

**Who to contact**  
when something doesn't feel right,  
you have a question or need some advice

We want parents and carers to feel comfortable speaking to us whenever they have a question, concern or need some advice. Often, a quick conversation with the right person can help us to understand what is happening and work together to resolve things quickly.

**Who should I speak to?**

- TAs / Breakfast Club Staff**  
Teaching Assistants and pastoral mentors are on the doors each morning and are happy to help with general queries or questions. This also includes our Breakfast Club staff. *A friendly face each day*
- Class Teacher – your first point of contact**  
Your child's Class Teacher should always be your first point of contact for anything relating to your child's learning, behaviour, attendance or day-to-day experience in school. You can speak to them in the door at the end of the day or request a meeting or phone call through the school office. *Support for your child's learning*
- SENDCO – Mrs Rose**  
If you have a question or concern relating to your child's special educational needs or the provision they receive, please contact Mrs Rose via the school office to request a phone call or meeting. *Additional support*
- Pastoral Team – Mrs Light & Mrs Whitworth**  
If you would like support or advice relating to wellbeing, attendance or family circumstances, please contact the school office to arrange a conversation with Mrs Light or Mrs Whitworth. *Here to listen*
- Assistant Headteachers – Mrs Rose & Miss Coleman**  
Mrs Rose and Miss Coleman, Assistant Headteachers, are available for matters that require senior leadership involvement. We would normally expect concerns relating to your child to have first been discussed with the Class Teacher, SENDCO or Pastoral Team, so that they have had the opportunity to help and resolve the matter. Please contact the school office if you would like to request a meeting or phone call. *Working together*
- Headteacher – Mrs Wright**  
Mrs Wright, Headteacher, is our first point of contact. If, after speaking with the people above, your concern is still unresolved or you would like further support, please contact the school office to request a meeting or phone call. *Our final point of call*
- Please talk to us**  
We know that, from time to time, parents and carers will have questions or concerns. We would always encourage you to speak to us directly or then via our helpline, understand and work together to find a way forward. The better we know about something, the easier we can help. *Kind People Bright Futures*

**Pastoral** (A message from Mrs Light & Mrs Whitworth)

Attendance is important. Please make sure your child/children are here and on time every day at 8:00am for free breakfast club and collected promptly at 3pm or 4pm if at clubs. Thankyou

**WE ARE MONITORING LATENESS AND LETTERS  
WILL BE SENT OUT ACCORDINGLY**

## SAFEGUARDING

Our Designated Safeguarding Lead is Mrs Wright and our Safeguarding Officers are Mrs Light, Miss Coleman & Mrs Whitworth. If you have any concerns regarding the welfare of any child, please be aware that they are available to speak to in school.
