TEAM MORRIS: EARLY YEARS

This week we have been reading the story of 'Mr Gumpy's Outing.' The children enjoyed listening to the story and predicting what would happen to Mr Gumpy's boat at the end of the story. The children have enjoyed making their own boats and seeing if they float or sink. The Children in Nursery have been learning about capacity and have been using the vocabulary full and empty. The Reception children have been finding learning more about the numbers 6 and 7. A great week Team Morris!

TEAM HOLMES: Y1/2

We have had a super week in Team Holmes. This week we began reading the story, Vlad and the great fire of London. We have been asking and answering some interesting questions about the events of the great fire of London and what Samuel Pepys role was during this time. In maths we have been recapping place value and looking at equivalent fractions. Great week Team Holmes!

TEAM JAMES: Y3/4

Team James has produced another stellar week of fabulous work. Our discussions about slavery in Ancient Egypt have been very interesting and compelling. We have also been comparing fractions to decimals and we have knocked it out of the park. Shout out to Annabel.

We are in the process of creating Egyptian Death masks, which already look awesome and we are looking forward to our performance of Easter Craft day. Shout out to Akash and Mohammad for their flags of the world. Happy Ramadan

TEAM FINCH: Y5/6

Well done Team Finch for another great week. In maths, we have almost finished geometry. We've found it tough, but worked well.

In English, we are producing balanced arguments. Please help your children with their homework.

Special mentions to Eva-Lee and Alex.
