

Streethouse School Newsletter

10th July 2026

Weekly Message

A big shout out to all of the Key Stage 2 children who had a fantastic competitive Sports Day this week. They really brought their sportsmanship and motivation to 'be the best they can be' for their respective houses!

End of Year Reports will be sent home tonight with your child, please read all of the information provided and return the response slips with any feedback or suggestions for the future.

PLEASE NOTE: Dates and times of Leavers assemblies and Airport Day next week, plus our afternoon **Golden Assembly will be at the earlier time of 1pm** as it is anticipated to be longer than a typical assembly. The school will close to all children at 2pm. There will be no afterschool club on Thursday or Friday.

Mrs Wright, Head Teacher

Team Rose	91%	2 nd
Team Weaver	84%	4 th
Team Hayward	88%	3 rd
Whole School	89%	
Raffle winner Club 100	Tommy Layla	

TEAM MORRIS: EARLY YEARS

This week Team Morris have enjoyed the story of 'Pirates Wear Underpants'. The children have enjoyed accessing the pirate ship, using their fine motor skills to retrieve treasure. The Reception children have been learning about maps, creating their own of familiar places to them. The Nursery children have been making and noticing patterns in their environment. We have enjoyed exploring the forest this week, making and decorating wands using natural materials.

TEAM ROSE Y1/2

This week we have begun our new maths unit on measurement. We have looked at mass and capacity and how we can compare measurements for these. The children have really enjoyed weighing using practical resources this week. In art we have completed our unit with our final collage by adding more detail using a range of media to enhance our final piece. Well done for a great week!

TEAM WEAVER: Y3/4

This week, the children completed their final piece of writing for the year, producing some fantastic narratives about adventures in the Amazon Rainforest. They wrote from the perspective of Maia, the main character from our class novel, and showed great creativity, imagination, and understanding of the story. In Maths, the children have worked incredibly hard to develop their understanding of different ways to represent data. They have explored bar charts, line graphs, and pictograms, learning how to interpret and present information accurately. In Art, we completed our final project of the year, creating beautiful patterned fabric designs for furniture inspired by the work of William Morris. The children demonstrated excellent design skills and creativity, and their finished pieces look fantastic. Well done for a wonderful week!

TEAM HAYWARD: Y5/6

The children have shown great resilience this week, especially so close to the end of term and with the heat conditions. In maths, we have learned to understand angles and completed activities to support us in classifying them. In English, we have had a focus on spelling, grammar and punctuation - completing activities that revisit what we have learned throughout the year. Due to the heat, children had a relaxing session in forest schools where they set up the hammocks. We also had two visitors in school to work with us on an art project one afternoon - the children re-created the town of Featherstone based on their ideal town. They worked together to put their ideas into one and discussed why it would benefit the town and/or improve it.

"Reading gives us someplace
to go when we have to stay
where we are."
- Mason Cooley

THE NEST (A message from Mrs Light)

Attendance is important. Please make sure your child/children are here and on time every day at 8:15am for free breakfast club and collected promptly at 3pm or 4pm if at clubs. Thankyou

**WE ARE MONITORING LATENESS AND LETTERS
WILL BE SENT OUT ACCORDINGLY**

SAFEGUARDING

Our Designated Safeguarding Lead is Mrs Wright and our Safeguarding Officers are Mrs Light & Miss Coleman. If you have any concerns regarding the welfare of any child, please be aware that they are available to speak to in school.
