Weekly Message

You will know from the news that there has been an increase in cases of scarlet fever, above the levels expected for this time of year. Scarlet fever is a common childhood illness caused by group A streptococcus (GAS). It is not usually serious but should be treated with antibiotics to reduce the risk of rare complications (such as pneumonia) and to stop spread to other people.

If your child is unwell, or showing any symptoms please seek medical advice and inform the school office on 01977798616

TEAM MORRIS: EARLY YEARS

This week we have really enjoyed listening to the story of the Gingerbread Man. The children have enjoyed using the puppets and props to retell the story. The children have been busy making their own puppets and masks to use. The children had a great time in Forest School making a very special Christmas decoration. The children have been busy making some other Christmas surprises!

We have been very busy learning our words and songs for our Nativity and look forward to showing you our hard work next week.

TEAM HOLMES: Y1/2

In Team Holmes this week we have been getting into the festive spirit in our dress rehearsal for our Christmas play. In English we have been working hard to write a persuasive letter to our naughty class elf who stole all our coloured pencils! We have reinacted our nativity story in our religious education lessons using our small world area. In math we are still focussing on our times tables and the children have done some amazing calculations using 2, 5, 10 and 3 times tables. Well done for a super week Team Holmes!

TEAM AVEYARD: Y3/4

This week we have completed our work on *Coming Home* by Michael Morpurgo and have loved getting into the festive spirit and learning about the real meaning of the Christmas period. We have produced some amazing setting descriptions! In Maths, we have absolutely nailed the 4 times tables and are now moving onto the 8 times tables. We have made so much progress on this, well done everyone!

On Wednesday we welcomed Chris from the Wakefield Library service who came to share some of the fabulous books which they have on offer at our local libraries. If you click the Facebook link below you can follow them and find out about lots of exciting free events which take place throughout the year. <https://en-gb.facebook.com/WakefieldLibraries/> the link is also available on the school website. When Chris was here we played a game of book bag bingo-all the children who had brought their books bags that day went into a draw to win a great festive book by Tom Fletcher. Please make sure your children bring their book bags everyday so that they have their ERIC and library books. !!!

TEAM FINCH: Y5/6

Well done - week 6 down and one to go!

We have completed so much this week. Christmas decorations for your trees? Done. Periscopes? Done. Maths assessments? Done. Fantastic Santa-based dialogue writing? Done.

But the work continues! We still have to complete our Geography powerpoints, and make sure all our end of unit work is complete.

Special mentions this week to Eva and Jade - superstars.

THE HIVE *(A message from Mrs Light)*

My working days are now Tuesday, Wednesday & Thursday. I am available to parents and pupils on these days only. If you require pastoral support on Mondays & Fridays please speak with our ELSA Mrs Smith or our Assistant Head Miss Morris. If you would like a message to be sent to me, please let Mrs Hunter in the office know and I will pick it up on my working days.

Thankyou Mrs Light.
