Weekly Message

THANKYOU to everyone who donated to Children in Need and the School Fund. We will publish the total amount raised next week. The children who attended the Synagogue this week did so well in representing the school in such a positive way.

Our Chair of Governors wishes to thank parents for staying this morning and giving such positive feedback, we will look to host more of these Governor sessions throughout the school year.

May I remind you that ALL parents are welcome to attend the GOLDEN ASSEMBLY every Friday morning between 8:40-9am to celebrate the week's achievements.

TEAM MORRIS: EARLY YEARS

The children have really enjoyed the story of 'Elmer' the elephant. The children have enjoyed listening to the story and talking about how Elmer was feeling and how it is good to be different. The children have enjoyed making Elmer finger puppets and finger painting their own colourful Elmer. The Nursery children have been learning about the colour red and the Reception children have been learning more about the number 4. In Forest School we experimented with leaf rubbing and created some lovely artwork.

TEAM HOLMES: Y1/2

We have had a very exciting week in Team Holmes. We have had a special visitor who has taught our class some Indian dance routines and the children were fabulous at this! In English we have been reading the story of Hanukkah and focusing on writing instructions. All the children made a dreidel so they could play a traditional game that children would play during this celebration. In maths we have begun to practice our 2, 5, 10 & 3 times tables. All the children love dancing to the BBC Supermovers to help them remember their times tables. Well done on another great week everyone!

TEAM AVEYARD: Y3/4

This week we have celebrated Inter-Faith week 2022. We have been learning about different cultures and beliefs from around the world. On Wednesday we learned some Indian Bollywood style dancing with the fabulous teacher from Dance Days. We also discussed culture and religious festivals. On Thursday we had a fantastic trip to the UHC Synagogue in Shadwell, Leeds where we learned about Jewish Traditions and festivals also. Friday was children in need where we had some reflection time to think about children who may have differences to our own all whilst celebrating diversity and uniqueness.

TEAM FINCH: Y5/6

What a week! Well done to all my class this week for some excellent maths - we've been completing some very tricky fluency and problem solving in fractions.

In English, we have finished our persuasive speeches. Very powerful - and no doubt will persuade all the animals to fight!

Our periscopes are shaping up nicely!

Special mentions to Brodie and Isaac.
