### **TEAM MORRIS: EARLY YEARS**

This week has been a lovely end to a great year. The Reception children had a fabulous time going round the world during airport day. All the children were fantastic and joined in well with all the activities. The Nursery children enjoyed making a pirate ship. The children made some great pirate hats for the pirate party. What a great week!  
Have a happy, safe and enjoyable holidays!

### **TEAM HOLMES: Y1/2**

What a fabulous end to our Year in Team Holmes! All of the children have worked incredibly hard this year, we have some amazing laughs and fun experiences all while learning new and exciting things. All the children deserve a lovely rest over the summer holidays and I can't wait to see them all back in September ready to learn!

### **TEAM JAMES: Y3/4**

Well done Team James, we've made through to the end. I am so incredibly proud of each one of you. It's been another outstanding week with fantastic biographies and predicting the end to a story.

In maths, we have been working on statistics and interpreting graphs, while in science we have investigated the non-Newtonian fluid, Oobleck and how it is both a solid and a liquid. We looked at how humans are responsible for environmental changes that have had a detrimental effect on the earth. We also argued whether plastic bags should be banned.

Brilliant presentations this week everyone.

Our Platinum Reading awards go to Mia, Zakariya and Ella

### **TEAM FINCH: Y5/6**

Well...here we are. The end of Year Six. Farewell old Sixes, you will be missed. You've made me a better teacher, and we've had our fair share of 'colourful' moments over the years. But through it all...it's been good hasn't it?

Special mentions this week to Nicola, Nigella and Oliwia for producing a Michelin Star worthy feast of Polish food. I particularly enjoyed the pirogi.

See you September.

The best is yet to come!
