## Weekly Message

Bonjour! Nous sommes arrivés – We have arrived!

We set a target of 613 miles to run to Paris which in just 3 weeks we have exceeded by running 699 – enough for a quick stop off at Disneyland Paris and a couple of trips to the top of the Eiffel Tower and back....Ooh La La!

The children have thoroughly enjoyed this challenge and certainly enjoyed their Parisian Party this afternoon to celebrate – the croissants, baguettes & pain au chocolat were all a delight!

Our school council are seeking views from classmates of which city to arrive in next – talk to your children this weekend about other possibilities!

The school council would also like to review the packed lunches policy to make them more healthy – watch this space for their new updates.

### **TEAM MORRIS: EARLY YEARS**

This week has been an excellent week in Team Morris. We have been reading the story of Goldilocks and the Three Bears. The children have really enjoyed the story and have retold the story using puppets and props. The children have made their own masks to use to retell the story. The children have been learning how to describe the size of objects and say which one is the biggest and which is the smallest. The Nursery children have been learning about the number 5. The Reception children have been learning how to add two groups of objects together.

### **TEAM HOLMES: Y1/2**

This week Team Holmes have been very busy! We have been measuring in maths.

In English we read Cinderella, we enjoyed getting into groups and acting out the story.

We made some wormery's in Forest Schools which was very exciting.

Well done everyone!

### **TEAM JAMES: Y3/4**

Team James have arrived in Paris! Well done guys, we ran 81 miles this week. We've been learning all about similes and fronted adverbial so we can write character descriptions, your vocabulary is awesome. In maths we have been looking at length and comparing mm, cm, m and km.

In science, we have constructed food chain and we now know that a producer is a green plant and a predator hunts and kills prey.

RE has been really excellent this week. We learned about fasting in Islam, also known as Sawm. Children looked at the types of food Muslim eat during Ramadan and how they break their fast. We made and tasted different food that Muslim children enjoy during Eid.

### **TEAM FINCH: Y5/6**

Another great week in Team Finch - is it really this close to the end of term? In English this week we have been working on our new book 'The Invention of Hugo Cabret'. We are building up some descriptive writing, using lots of adjectives and noun phrases.

In Maths, we have been getting stuck into percentages. It has been tough, but we have made some great progress.

Special mentions this week to Olivia-R and Vinnie - great week had all round.
