

Streethouse School Newsletter

18th September 2026

Weekly Message

What a wonderful week at Streethouse. The school is still being refurbished ahead of the opening of our new Nest in a couple of weeks' time. Thankyou to the whole community who are being incredibly supportive and patient – particularly with the parking at the moment. Thankyou all so much for your continued support.

Forest Schools is now on a Wednesday each week therefore please ensure your child has their coat and suitable footwear as the weather begins to turn colder. Thankyou.

Mrs Wright, Head Teacher

Team Rose	90%	4th
The A Team	91.3%	2nd
Team Hayward	91%	3rd
Whole School	92%	
Raffle winner Club 100	Charlotte Zara	

TEAM COLEMAN: EARLY YEARS

It has been another busy week of learning and exploring in Early Years! In Nursery Maths, we have been learning about more than, fewer than and equal to, while Reception have been developing their sorting and matching skills. Reception have also enjoyed getting creative with crayons, exploring different ways to make marks. Outside, we have been busy setting up a bug hotel in our new outdoor area and are looking forward to seeing which minibeasts come to visit!

TEAM ROSE Y1/2

This week in English we have been discovering new vocabulary in our class book and exploring the meaning of these words and how we can use them in our own sentences. In maths we have been understanding numbers to 10 and how we can represent these numbers in a variety of ways. In History we have been looking at ways The great fire of London spread so quickly. In DT we have started to explore stable structures using our construction area to research structures with wide bases and how they are more stable Well done Team Rose !

THE A TEAM: Y3/4

This week, The A Team have continued their work on writing a character description about the Stone Age Boy and created a final piece thinking carefully about their vocabulary choices. In history, we have looked further into the day-to-day life of a hunter-gatherer, thinking about what they ate and how they got their food. In science, we have been learning about our 4 different types of teeth. The children used mirrors to closely inspect their own teeth to determine which was which. Another fab week for the A Team!

TEAM HAYWARD: Y5/6

In English this week, we have focused on learning specific grammar and punctuation skills to enhance our setting description. In particular, we have learned how to use adverbials and relative clauses in writing. In maths, we continued to consolidate our understanding of place value by partitioning numbers up to 10 million, and ordering, comparing and recognising these on number lines. In Science, the children looked into cold blooded vertebrates and how these can be classified using the Linnean System by Carl Linneaus. The children have also really enjoyed their History topic this term - Saxons and Vikings. We spent this week understanding who the Anglo-Saxons were, where they came from and why Britain was attractive to the tribes.

Messages:

Please keep an eye on the upcoming events calendar.

Pastoral (A message from Mrs Light & Mrs Whitworth)

Attendance is important. Please make sure your child/children are here and on time every day at 8:00am for free breakfast club and collected promptly at 3pm or 4pm if at clubs. Thankyou

**WE ARE MONITORING LATENESS AND LETTERS
