3rd July 2026

Weekly Message

What a wonderful Sports Day with Reception and Key Stage 1 this week. It was lovely to see all of the children trying their best and taking part in this annual event. House points were awarded and contributed to the team effort made by every single child. Well done!

Polite reminder: School uniform must be worn, including black shoes/plain black trainers daily up to the end of term. Please let us know of any issues as we can support with purchasing this on your behalf.

Mrs Wright, Head Teacher

Golden Book Award Winners	
Class	'Golden Child'
Team Morris	Daxon
	Kyron
Team Rose	Jaxon
	Minnie

Class	%	Place
Team Morris	90.8%	3 rd
Team Rose	91%	2 nd
Team Weaver	89.4%	4 th
Team Hayward	95%	1 st
Whole School	92%	
Raffle winner Club 100	Lucas Ada	

TEAM MORRIS: EARLY YEARS

This week Team Morris have enjoyed the story of '1,2,3 Do the Dinosaur'. The children have really enjoyed stomping their feet, swishing their tails and roaring loudly throughout the story. They have enjoyed making creative observations this week linking to dinosaurs and the footprints they make. The Reception children have been learning about maps, they have looked at satellite images of our school then used prepositional language to describe where things are. The Nursery children have been continuing to develop our counting skills and subitising.

TEAM ROSE Y1/2

We have been super busy this week focussing on how we can use pronouns correctly in our writing and how to distinguish between a verb and a noun in a sentence. In maths we have completed our unit on time which has been a little tricky so children will continue to practice this during our provision time in class. In Art we have been collaging our sketched pictures to create different textured effects which the children have loved! Most of all the children had a great time at their sports day and showed great resilience and team work skills. Well done Team Rose for continuing to work so hard.

TEAM WEAVER: Y3/4

This week, the children have been focusing on editing and publishing their narratives. They have worked exceptionally hard on this piece of writing and should be incredibly proud of everything they have achieved. In Maths, we have been exploring position and direction, with a particular focus on coordinates. The children have embraced this challenge with enthusiasm and have impressed me with their resilience and determination when tackling increasingly complex questions. In Geography, we concluded our topic by identifying the human and physical features of the River Wharfe at Bolton Abbey, using the knowledge and observations gathered during our school trip to support our learning. Finally, in Art, the children have begun creating their masterpieces, drawing inspiration from William Morris's use of texture and pattern in his furniture and textile designs. We are looking forward to seeing their finished pieces over the coming weeks.

TEAM HAYWARD: Y5/6

In English this week we have had a big focus on grammar and punctuation in order to practice some key skills for writing. In science, we learned the life cycle of insects, exploring how some have 4 stages and some have 3 stages in their cycle - we also discussed some data and through questioning, wrote conclusions based on what we were shown. We have had some lovely art sessions this week - children were asked to design and label their own memory box before creating these in real life. They also used their 'symbol identity maps' created earlier on in the unit, to choose symbols that they created using clay and techniques used to produce 3D art. Well done to years 5 and 6 this week.

Messages:

"Reading gives us someplace
to go when we have to stay
where we are."
