TEAM MORRIS: EARLY YEARS

Team Morris have had a great week reading the story "Going on a Pumpkin Hunt." The children have joined in well and have been retelling the story with lots of actions. We have also started thinking about Autumn and have been talking about hedgehogs and have made some great ones in the playdough. The children have been doing some great counting and number recognition work.

Well done to the children who brought their Autumn Treasure bags back this week. The children really enjoyed sharing what they had found with their friends. Thank you for helping the children with this. Well done Team Morris an amazing start to the year!

TEAM HOLMES: Y1/2

This week we have had a super last week! We joined a lovely campfire and told some imaginative stories in forest schools. We have created our own Disney kingdoms and characters in english and there was some very creative ideas from all the children. We finished our learning about Disney with a day filled with fun and treats and watched the Cinderella pantomime!

TEAM AVEYARD: Y3/4

This week we have consolidated our learning about The Stone Age. We learned about the ancient village of Skara Brae and researched. We also completed our VIPERS novel Stig of the Dump and loved every minute.

Have a lovely half term break and stay safe.

TEAM FINCH: Y5/6

Well - there you have it. We have our first half term done. It's been fantastic (if I do say so myself) and we've had a great topic to get our teeth stuck into. We have learned so much about WW2, the chronology, key events and characters. This week we have looked the amount of damage the Atomic Bomb did that was launched on Japan. Can it ever be justified?

In Maths, we have been multiplying and dividing by 10, 100 and 1000. I've never had a class so engaged and quick at showing their understanding.

Well done Team Finch. The best is yet to come!

Special mentions to Oliwia W and Bradley E - where would we be without these two?
