## Weekly Message

What a busy week! This week I have been in Team Morris reading stories to them and seeing their lovely owl paintings. Team Holmes have been sharing their fantastic facts with me about Walt Disney. Team Aveyard had a live streamed Stone Age talk today and Team Finch have got to the end of their class novel – there were tears all round!

Special Mentions to our School Councillors who met this week to discuss our future plans and improvements. I am looking forward to having regular meetings with them as they are a very responsible group of leaders.

We are looking forward to seeing lots of you on Monday at Parents Evening. If you haven't booked an appointment yet, give us a call!

### **TEAM MORRIS: EARLY YEARS**

The children in Team Morris have had an excellent week. They have been enjoying reading the story of Owl Babies. The children have been fantastic at remembering the key events in the story and have been able to act the story. The children have also been creating owls in the creative area and have produced some lovely owl paintings. The children have also been counting how many owls there are in the nest.

### **TEAM HOLMES: Y1/2**

We have had an amazing week in Team Holmes! We have completed our first Independent writing challenge and the children have done some fabulous sentences. We have been adding using our fact families this week and we are becoming super mathematicians!

Well done to all the children who have been bringing their book bags everyday I am seeing some super home learning from children. Please make sure you bring outdoor PE kits and forest schools clothing each week as the weather is becoming colder.

### **TEAM AVEYARD: Y3/4**

Our current times table challenge is the 4 times table. Please use TT Rockstars and use the resources on Class Dojo to practise ready for our quiz in the last week of this half term.

This week we have been continuing with our Science topic of Electricity and learning about incomplete and complete circuits. We have also been learning about what artefacts exist from the Stone Age and how people at the time were hunter gatherers.

Our PE sessions are Mondays and Wednesday for Year 3 with Swimming on a Monday for year 4 and PE on a Wednesday.

### **TEAM FINCH: Y5/6**

Well done for another great week Team Finch. This week - we finished The Boy in the Striped Pyjamas. A sad story, but a great one, and a reminder that there are certain events in history we should never forget. Well done to the class for being mature and stoic about the topic.

In Maths this week, we have moved onto addition and subtraction. We have used bar models, number lines, counters, and are now working on the written method. Please help your child with their homework this weekend.

Special mentions to Billy M and Harry T.
