

"Together we learn"

CHARGING & REMISSIONS POLICY

In accordance with Southern Education and Library Board policy, the curriculum at the nursery school is provided free of charge.

However a voluntary contribution of £2.50 per week is asked of parents/carers to cover the children's healthy snacks, baking activities, renewing library books, to subsidize school trips and additional play equipment not provided within the school's allocated budget. *Failure to contribute to the school fund will not preclude any child from participating in any of the additional experiences. However, the type and frequency of these will be governed by the amount of money contributed to the fund.*

The school fund benefits from the school book fair, story boxes and also from the profit on the sale of school photographs and school wear.

As the midday meal is an integral part of the full time session, the usual school dinner charges will apply for those children gaining full time places, except where the child has an entitlement to free school meals.
