

Summer Term Newsletter 2022

Summer is on its way! It's going to be a very busy term with lots of events happening throughout the coming weeks. Please take your time to read this newsletter as there are some important items. We hope you can attend the events we have planned and enjoy your last term before the summer holidays fingers crossed the sun will shine!

Transitions

After the Spring Bank holiday, children will start to visit their new schools or new classrooms. Transition days will be organised by your child's new teachers and you will be notified by letter and through social media. We will support your child's move to their new class wherever possible.

Final Learning Journey

Throughout the year practitioners have collected photographs and observations of your child in class. Towards the end of the summer term, you will be given the file to keep. I hope you will look back at this file and have happy memories of your time with us.

2-3's provision – Upcoming events

Leanimals visit booked for July – more details to follow.

Transition visits will begin for children moving into F1 week commencing 6th June. Staff from 2-3's will take the children on regular visits to see their new class and play in the F1 outdoor area.

Parent consultation meetings will start week commencing 27th June. More details to follow.

Thank You

As we approach the end of the final term of school, we would like to say a **big thank you** to all of our parents, carers and families for all the support you have given us over the year.

Your contributions towards the purchase of Christmas/Winter bags in the autumn term, Easter raffle tickets in the spring and dressing up days have all gone towards enriching the curriculum for the children. We have used the money raised to pay for visitors to school such as Leanimals, the bee-keeper and hopefully the Shetland ponies in July. Throughout the year money has been used to provide children with treats such as exciting new foods to taste for Eid, Chinese New Year and other celebrations as well as stocking up our fire pit area with marshmallows for toasting and chocolate biscuits for making Smores!

Stay safe in the sun

Please apply suntan lotion before your child comes to nursery and remember to bring a sun hat.

Please make sure your child wears appropriate foot wear **not flip flops** as these can be dangerous when the children are playing outside.

Thank you

Planting beans competition

Your child has been provided with sunflower seeds, beans and vegetables to plant and nurture at home. We would love to see how well these grow so please send your key person regular photographs and updates (even when school finishes for the summer).

Each class is having a bean growing competition. I wonder who will win?

Forest Schools

Our new fire pit area is now finished. It is situated at the top of the playground next to the garden room. Please come and have a look when you drop off or collect your child. We use the area for forest school activities and for 'Fire Pit Fridays'. On these days we toast marshmallows, make popcorn and cook treats. It's all very exciting!
