

Summer 2025 Newsletter

Welcome to the Summer Term

It is always a pleasure to welcome back existing families to the Nursery and getting to know those that have joined us in April.

I can not believe that we are in the last term of another fun packed year.

I would like to take this opportunity to wish all our F1 children who will be leaving us this year a wonderful time in their new schools and to thank parent/carers for their un-ending support over the last year.

We look forward to the Summer term with your children.

Thank you for your continued support.

Lynsey Hadfield
Executive Headteacher

Sun Safety

Here are a few tips to help keep your child safe during the summer months:

Dress our child in loose, cotton clothes with a floppy hat with wide brim which shades their face and neck.

Avoid the midday sun and keep babies under the age of 6 months out of direct sunlight, especially the midday sun.

Protect your child's eyes with sunglasses that meet the British Standard and carry the CE mark - read the label.

Drink plenty of fluids.

Apply sunscreen to your child before bringing them to Nursery. We have our own sunscreen here to top them up during the day.

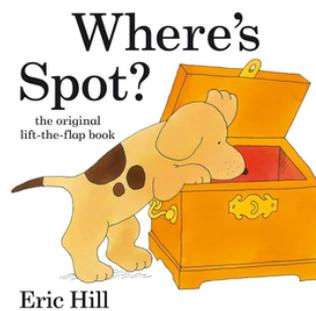

If your child has allergies to sunscreen or has sensitive skin, please let us know and you can supply your own for us to use.

Thank you and keep safe in the sunshine!

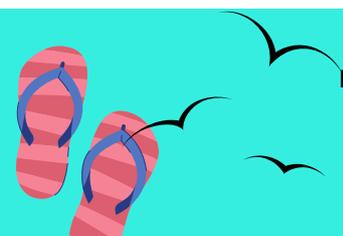

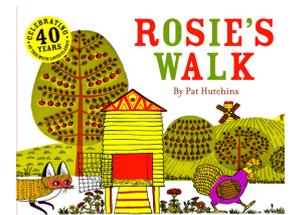

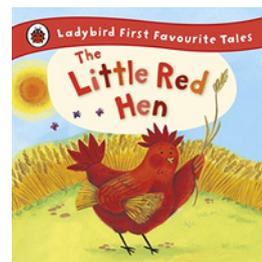

2-3's Room Key Texts

In the 2-3's room this term, our key texts will be "Where's Spot" and then "We're Going on a Bear Hunt".

F1 Nursery Key Texts

In F1 this term, our key texts will be "Little Red Hen" and "Rosies Walk".

Summer 2025 Newsletter

Screen Free

A gentle reminder to please not use phones/tablets whilst inside the building.

Thank you,

Holidays

Reminder that places can not be held for extended periods of absence.

If you have a holiday planned that is for more than 2 weeks, please speak to a member of the admin team when you complete your holiday form.

No Jewellery

Please do not send your child to nursery wearing jewellery. This is for health and safety reasons to keep your child and those around them safe.

If your child comes to nursery in jewellery, room staff will remove it and hand it back to you in an envelope on collection. We are not responsible for any loss of items.

Sensory Garden

We have had a beautiful sensory garden built for our children to enjoy!

Gate Safety

This is another reminder to please close the gates when you are dropping off and collecting children.

This is for the safety of your child and those around you.

Parking

We would just like to remind everyone dropping off and collecting children to park sensibly on the road and to not park on the marked areas.

The residents around us need to access their driveways, and the gates leading into nursery need to be clear at all times to allow for emergency vehicles.
