Extra-curricular clubs - Absences

Dear Parents and Carers,

We are pleased to see so many of our students participating enthusiastically in the various after-school extracurricular clubs we offer at school. These activities provide wonderful opportunities for our children to explore new interests, develop skills, and build friendships.

In order to ensure the smooth running of these clubs and to keep all our students safe, we kindly request that you inform the school if your child will not be attending their scheduled club session that they usually attend. It is important that the teacher leading the club is aware of any absences. This is especially important in years 5 and 6 considering many children have consent to independently walk home.

If your child is unable to attend their usual club, please notify us as soon as possible by either emailing the school at office@harworth.snmat.org.uk, by emailing the class teacher who is responsible for the club or by calling us at school (01302 742477). This will enable the club teacher to adjust the register accordingly and focus on providing an enjoyable experience for the other children, without the need to spend time verifying attendance.

We appreciate your cooperation and understanding in this matter. Your communication helps us ensure that all our students are safe and accounted for, allowing the extracurricular clubs to run smoothly and efficiently.

Thank you for your continued support.

Kind regards,

Mrs Doyle & Mr Edwards
