

Harworth Church of England Academy

End of the week reflection

Our Comic Relief Day was a wonderful reminder of how joy and generosity help us grow. By taking part, pupils showed compassion, community spirit, and what we call our *Heart of Wisdom*—thinking of others, working together, and having fun with purpose. Thank you to everyone who contributed and helped make the day meaningful for our whole school.

As we head into the final week of term, we're encouraging all children to keep up their great attendance. Every day in school still counts, and being here helps us finish the term together, enjoy our final activities, and celebrate everyone's hard work. It's been a long term and a break is on the way, but we'd love to see all children in school, on time, each day next week so we can end the term on a really positive note.

Social Action Award

The Social Action Award encourages children to take positive action in school, the community, and the wider world. Pupils choose and complete five out of ten meaningful challenges—such as helping others, fundraising, supporting the environment, or celebrating diversity. The award helps children develop responsibility, confidence, and compassion while making a real difference to those around them. Please see the Social Action Award evidence grid attached to the email.
