## End of the week reflection

This week's Easter pilgrimage offered a valuable opportunity for children to pause and reflect together. It was wonderful to see them engaging with such maturity as they moved through the stations and spent quiet time in our Heart of Wisdom Garden, using the space to think deeply about themes of hope and compassion. Through our collective worship, the children have also been learning about St Martin de Porres, whose life of service and commitment to social justice has inspired thoughtful discussion. His story has helped the children reflect on fairness, dignity, and using their gifts to make a positive difference - values at the core of our school community. Bringing these experiences together, it has been encouraging to see our children grow in their understanding of compassion, justice, and faithfulness as we journey towards Easter.

## World Book Day

As part of our World Book Day celebrations, the children will have an opportunity to take part in a special **book swap!**

Children are invited to bring along a gently used book they've enjoyed and are ready to pass on. The more books we receive, the greater the choice for everyone - so if you have more than one suitable book to donate, we would greatly appreciate it.

During the swap, they'll have the chance to browse a wonderful selection of stories contributed by their classmates and choose a new book to take home.

It's a lovely way to share favourite reads, discover new authors, and celebrate the joy of reading together.
