

Celebrating Our Global Connection: The King's Village, Ghana

Throughout this academic year we are continuing to strengthen our link with The King's Village school in Ghana. We receive regular news updates about our sponsor child Nashiratu and the school. In October, a group of teachers visited the King's Village and took your kind donations of toys, pens, pencils, colouring books, toothbrushes and toothpaste with them. Nashiratu and her siblings loved their gifts and as a school we managed to provide a gift for every pupil at The King's Village – what an amazing achievement! Thank you so much to you all for making such a positive change to their lives.

Nashiratu

Nashiratu and 2 of her siblings

Pupils in Basic 9 with their new pens

Pupils in Basic 6 with their new pencils

The children were very appreciative of their toothbrushes and toothpaste

We also received a photograph of The King's Village school sharing the PowerPoint we made all about our school. It enabled children who live in a very different place to see that some things are very similar and some things are very different but we can appreciate each other and learn about each other.

If you would like to see the more photographs, videos and information about the visit in October please click on the link to go to The King's Village page of our school website.

Finally, four amazing pupils spent their October half term holiday making and selling homemade lemonade. They raised £43 and decided to donate it to Nashiratu – what kind and thoughtful pupils we have at our school, always thinking about others before themselves. Amazing!

Together, we're making a real change to Nashiratu, her family and the pupils at The King's Village. Thank you for your ongoing generosity and support!
