

Harworth Church of England Academy

End of the week reflection

Despite the rather miserable weather this week, our children have shown true resilience and positivity, not allowing the grey skies to dampen their spirits. It has been wonderful to see their enthusiasm for learning continue to shine through.

In our collective worship this week, we focused on the theme of hope. The children were challenged to think creatively by generating positive words in an acrostic style, reflecting on how hope can be seen, shared and lived out in everyday actions. It was wonderful to see such thoughtful responses and a genuine understanding of how hope can guide us, even when things feel difficult.

Singing 'Thread of Hope' together was a powerful moment. Its message of holding on, even in difficult times, reminds us of the strength that hope brings. This links beautifully to our vision of "gaining a heart of wisdom", as the children reflect on making wise choices, supporting one another and growing through challenge.

Wishing you a wonderful weekend.
