End of the week reflection

It has been a great first week back, with a real sense of positivity across the school. This week, we have reflected on rainbows as a sign of **hope**. In the story of Noah's Ark, the rainbow reminds us of God's promise—bringing renewal, peace and new beginnings after the storm.

Our Courageous Advocates have been putting this hope into action. As they met to reflect on their leadership roles and plan for the half term ahead, they were guided by our Christian value of hope—looking ahead with optimism and a determination to make a difference for others.

Through these moments of reflection and leadership, we continue to nurture a **heart of wisdom** in our children.
