Good attendance helps children make steady progress, stay confident in their learning, and get the most from each school day. Every day in school matters and regular attendance gives children the best chance to thrive.

Celebrating Success board

Our 'Celebrating Success' board is filling up beautifully with photos of children achieving wonderful things. It's a joy to see the pride and individuality in each picture. We'd love to continue showcasing these moments, so please keep sending in photos of your children celebrating their own successes - so we can share and celebrate them together!

Be Wise, Be Kind

We have simplified our school rules to make them clearer and more meaningful for children, focusing on the simple guiding principles: **"Be wise, be kind."** These rules are easy for children to understand and remember, and they link closely to our Christian values by encouraging thoughtful choices, respectful relationships, and a positive learning environment. By keeping our expectations clear and consistent, we help children grow not just in learning, but in character.

Sunday 25th January

- Miners' Service at All Saints Church – 3pm.

Reflection

This week has been filled with valuable learning and joyful experiences. Our Judaism Day gave children meaningful insight into another faith, helping them grow in understanding and respect. We also saw great excitement as clubs started back up, with children enjoying new activities, developing skills, and having fun together. These moments - both reflective and practical - have helped our pupils gain not only knowledge, but **wisdom**, as they learn more about themselves and the world around them.
