End of the week reflection

As we reach the final day of this first half of the Spring term, it's hard to believe that we are already halfway through the school year. The children have worked with great enthusiasm, showing growing maturity and thoughtfulness in all they do. Our focus on **Wisdom** has encouraged us all to pause, reflect, and make choices that help us to 'gain a heart of wisdom'. It has been wonderful to see pupils applying this value, whether in their learning, their friendships, or the small everyday decisions that shape our community.

Thank you for your continued support. I hope the half-term break brings rest and renewal for every family, and I look forward to the exciting learning ahead as we continue the year together.

Heart of wisdom garden

This half term, we're inviting all our children to take part in a special whole-school challenge that will help create something beautiful for our **Heart of Wisdom Garden**.

Wherever your adventures take you, whether it's the beach, countryside, city streets, local park, or even your own garden, **collect a small pebble, rock, stone or shell**. It can come from *anywhere in the UK or even the world!*

Each stone will become part of a stunning display celebrating the journeys, stories, and creativity of our school community.

Monday 23rd February	<ul style="list-style-type: none">• Return to school.
