PRIMARY SCHOOL
AND NURSERY
Learning for Life

Thursday 11th June 2026

Dear Parents and Carers,

We are pleased to share some exciting plans for the school. These will take place over the summer holidays or before September.

Office extension

We are planning to build a new office area starting in August. This will make our school office better for staff and visitors. There will be a new waiting area, so visitors will not have to wait outside.

We have saved money for this project over several years. This money can only be used for buildings or IT. We also had to wait until our PFI contract ends, which is on 31 July 2026.

While the building work is taking place, the school office will move to the Annexe/Music Room. Thank you for your patience during this time.

Moving classrooms

We are also hoping to move some classrooms around the school. This will help support children, especially our younger children during key transition times. We are waiting for extra funding to confirm this plan.

Once we know more, we will share further details with you.

A final decision will be made in the next few weeks. By the time children meet their new teachers and visit classrooms, everything will be confirmed.

What happens next

This is an exciting time for the school. We will send another letter once all plans are finalised. Thank you for your continued support and understanding.

Kind regards,

Miss Claire Westcott
Headteacher
